The Truth Seeker ,1918 *A Time for Truth* Ted Cruz,2015-06-30 New York Times Bestseller The U S senator from Texas tells his story of living the American dream and fighting for American freedoms Washington D C desperately needs leaders who aren t afraid to tell the truth And Ted Cruz tells the truth about political collusion a corrupted legislative process and the bureaucratic barriers to actually fixing the enormous challenges we face Cruz s truth telling habit hasn t made him popular in Washington But it has earned him millions of supporters nationwide Since his election to the Senate in 2012 Ted Cruz has refused to go along with the established way of doing business in Washington In *A Time for Truth* the outspoken senator from Texas tells his story for the first time the story of a Cuban immigrant s son who made it to the Ivy League to the Supreme Court bar and eventually to the U S Senate It s a deeply personal journey that begins with Cruz s father s experience of brutality in a Cuban prison and ends with Cruz s discovery that Washington has neither the courage nor the desire to do what is needed to preserve the freedom and opportunities that gave hope to his father and millions like him Cruz discusses his role in the 2000 recount helping to elect a president he respects and whom he would have to stand up to a few

short years later when he served as the solicitor general of Texas He provides a behind the scenes look at his remarkable grassroots campaign for the U S Senate And he reveals the true story behind his twenty one hour Senate filibuster where he gave the most famous bedtime reading of Green Eggs and Ham in history Pulling back the curtain on the backroom deals in Congress between Republicans Democrats and the lobbyists who keep them in office instead of keeping them accountable Cruz offers an inside look at what has gone so very wrong in our nation s capital But he also makes an optimistic case that by reestablishing the principles of our founders the opportunities for our citizens and our unique place in the world we can reignite the promise of America for generations to come A Time for Truth is sharp funny and honest What Cruz reveals will win him few friends in Washington Then again that isn t why he went there in the first place *Truth* ,1926

**Spellswords** Allen Snell,2018-04-25 *The Viceroy's Last Confession* Chinedu Nnadi,2026-02-05 A secret empire A silenced truth A confession meant to change history In the final days of British rule s unchallenged authority the sudden death of India s Viceroy is dismissed as natural causes The truth is far more dangerous On the night before his death Sir Reginald Ashcombe entrusts a sealed confession to a quiet colonial archivist a document detailing hidden massacres falsified treaties and crimes committed in the name of empire When the Viceroy is found dead hours later the confession becomes a liability powerful enough to ignite rebellion and topple reputations across continents Now hunted by imperial intelligence and shadowed by informants embedded within the colonial machine the archivist forms an uneasy alliance with a fearless journalist whose own family was destroyed by the same system the confession exposes As unrest spreads through the streets of Calcutta and whispers of revolution grow louder every railway platform government corridor and printing press becomes a battlefield The confession cannot be destroyed without erasing the truth but revealing it could plunge the colony into chaos and cost thousands of lives With the Crown tightening its grip and loyalists closing in one decision will determine whether history remains buried beneath official lies or is finally written in blood and ink *The Viceroy s Last Confession* is a gripping colonial era thriller that peels back the polished facade of empire to reveal the brutal calculations beneath Taut atmospheric and morally charged it asks a chilling question when power is built on silence what is the cost of finally speaking
