Unlikely Candidate:

The Unlikely Candidate Ali Milani, 2022-06-28 Across the Western world people are desperate for a radical shift in politics and for new kinds of politicians Primary defeats for established figures and shock results in referendums are becoming the norm while outsiders are shaking up political cultures In this book Ali Milani a rising star in the UK's Labour Party brings a unique perspective to the key political issues we're facing in the wake of the COVID-19 pandemic and shows how young people from all walks of life can engage in politics to transform our country and the world Drawing on his rollercoaster campaign against Prime Minister Boris Johnson in the UK's 2019 general election and his time in Bernie Sanders campaign team he aims to inspire a new generation including the disenfranchised disillusioned and marginalised to raise their voices and change mainstream politics for the better *The Unlikely Candidate* Diana Maldonado, 2026-12 More than a memoir *The Unlikely Candidate* is a call to action for women to lead for communities to uplift diverse voices and for anyone who's ever been told you don't belong This book proves you do and that your voice matters now more than ever With warmth grit and a feisty spirit Diana Maldonado shares her journey from a Texas border town to the state capitol and now to helping other women step into public life She broke through cultural financial and institutional barriers with savvy instincts and purpose Through deep rooted values personal grit and unapologetic drive she shows what it truly takes to run for office as a woman of color navigating barriers doubters and raising nearly a million dollars along the way By the end you'll believe that leadership doesn't require permission just the courage to begin **Maintenance Dredging of the Gulf Intracoastal Waterway Laguna Madre, Nueces, Kleberg, Kenedy, Willacy and Cameron Counties**, 2003 *Discursive Research in Practice* Alexa Hepburn, Sally Wiggins, 2007-07-12 The first text to promote a new method of discursive research in practice developed by combining conversation analysis with the fresh treatment of epistemology mind cognition and personality developed in discursive psychology Written for graduates and academics interested in discursive psychology discourse analysis and social and critical psychology **Migration on the Ballot?** Marc Collinson, 2026-03-06 *Migration on the Ballot* re-examines the 1964 election contest at Smethwick It considers the impact of deindustrialisation urban redevelopment and migration on the town alongside the candidates and parties who stood and how commentators have shaped our understanding of the result The 1964 election was supposed to be a success for Labour Leader Harold Wilson Yet while his party returned to power after thirteen years in opposition the defeat of Shadow Cabinet Minister Patrick Gordon Walker by the Conservative Peter Griffiths at Smethwick overshadowed Labour's victory In a town affected by economic urban and demographic change Griffiths ran a campaign most remembered for its anti-migrant rhetoric A safe Labour seat in the West Midlands not only voted Conservative but also became a metonym for racial politics influencing national debates about migration and impacting the new Labour Government's agenda However despite its continued notoriety the campaign remains under-interrogated with scholarly attention notable either for its obsolescence or brevity This study seeks to

understand how far these Conservative appeals actually determined the outcome or whether a more complicated story lies beneath This book will be of interest to scholars students and those interested in modern British political history elections and their outcomes *Presidential Campaign Discourse* Kathleen E.
