Unmasking Apocalyptic Texts A Guide To Preaching And Teaching:

Unmasking Apocalyptic Texts Dorothy Jonaitis, 2005 In this original and insightful book Dorothy Jonaitis offers a refreshing alternative to the popular view of biblical apocalyptic writing as gloom and doom fire and brimstone literature Rather she presents it as literature of hope and its authors as people who knew how to use their creative imaginations to communicate their hope filled messages The reader will come to see the apocalyptic authors of both the Old and the New Testaments as dramatists and will learn to preach teach and imagine their writings as dramatic messages to be applied in contemporary times of crisis **BOOK JACKET**

Interpreting Apocalyptic Literature Richard A. Taylor, David M. Howard Jr., 2016-07-27 An appreciation for the rich diversity of literary genres in Scripture is one of the positive features of evangelical scholarship in recent decades David M Howard Jr series editor At one time Old Testament apocalyptic literature was relegated to the more obscure reaches of biblical scholarship acceptable to occasionally refer to but too thorny to delve into deeply However in recent decades it has moved to the forefront of research The rich veins of insight to be mined in the book of Daniel and other apocalyptic texts are being rediscovered Richard A Taylor has crafted a handbook to explore those riches and uncover a way to understand apocalyptic literature more fully Taylor begins with a helpful introduction to the genre surveys the purpose message and primary themes of Old Testament apocalyptic literature and then discusses critical questions and key works for further study He also provides guidelines for interpreting apocalyptic texts followed by Old Testament passages that serve to illustrate those guidelines While primarily written for pastors and graduate students *Interpreting Apocalyptic Literature* is nonetheless accessible to those who simply want to study the texts more deeply than previously possible

Ronald J. Allen, 2019-08-08 The book is a commentary on preaching from the book of Revelation Working through the book of Revelation verse by verse the commentary seeks to help the preacher recognize what the book with its apocalyptic theology invited people in antiquity to believe and do The book of Revelation communicates through a series of word pictures Allen explains each word picture in light of its ancient setting The commentary brings the viewpoint of the book of Revelation into conversation through mutual critical correlation with contemporary theology especially process thought The work aims to help the preacher to help the congregation identify what they can genuinely believe and confidently do Believing that the best preaching arises from the local context the volume does not include full sermons but rather seeks to raise issues and questions that might be thought provoking SERMONS THAT ILLUMINATE DALE W. PILGRIM, 2019-09-06 This book is a practical guide for preachers both ordained and layleaders alike Sermons That Illuminate explores the various genres of Scripture and examines methods and models of preaching from the greats It also looks inward to consider the importance of wellness and self care with some suggestions for moving toward healthy preaching Whether you re a veteran preacher or preaching your first sermon you ll be invigorated as you explore the art of preaching Apocalypse When? Leah D. Schade, Jerry L. Sumney, 2020-09-09 Apocalyptic texts are often seen as either frightening or irrelevant a tool for fearmongering and manipulation or for the lucrative doomsday industry But Apocalypse When Interpreting and Preaching Apocalyptic Texts equips readers to understand these texts as sources of encouragement and strength for the church As the world faces threats of war poverty climate and environmental crises and political upheaval churches can draw on the wisdom and courage of our biblical ancestors who faced their own calamities and persecutions Their struggles against powerful economic militaristic cultural and social forces drew them closer to God We have much to learn from their faith ethical integrity and dedication to the promises of God that engender hope in the midst of turmoil and terror With solid historical exegesis thought provoking ideas for preaching and examples of sermons that creatively and compellingly proclaim God s word this book provides much needed guidance for the church in tumultuous times **The Catholic Periodical and Literature Index**, 2007 Elenchus of Biblica, 2005 **Preaching in the New Creation** David Schnasa

Jacobsen, 1999-01-01 Most preachers have little fondness for apocalyptic texts because of their scathing language surrealistic plots and enigmatic symbols David Jacobsen helps preachers move past these barriers with clear step by step directions and insightful analysis showing how to move from text to sermon for the apocalyptic texts included in the lectionary Preaching Apocalyptic Texts Larry Paul Jones, Jerry L. Sumney, 1999 Larry Paul Jones and Jerry L Sumney show how to preach the Bible s apocalyptic texts while avoiding the most common mistakes using texts that are metaphorical too literally to predict political events and using texts that are communal too individualistically to describe the experience of faith BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved Unmasking Apocalyptic Preaching Dorothy Jonaitis, 2002 **Canadian Books in Print**, 1996 *Preaching from Apocalyptic Literature* James

Sethre,1977 **Rethinking the End of the World** B. L. Cooper,2015-06-01 Since the day Jesus ascended into heaven the church has eagerly awaited his second coming And during the intervening years too many Christians have focused their study of the Bible entirely on discovering the end time signs of his coming Does Jesus expect us to focus on dates and signs or does he want us to instead develop a healthy and mature apocalyptic spirituality as we await his coming and the culmination of his plan of redemption and restoration Many of today s Christians lack a basic understanding of apocalyptic spirituality or do not understand God s mission through the church Consequently they fail to see and appropriate the rich truths that can be learned and applied to their lives today Yes Revelation is a book for today This book begins by explaining how the historic misinterpretation of end time Biblical literature has distracted Christians from their true spiritual development and mission It then explains how developing a proper apocalyptic spirituality can lead believers to healthy applications of end time teachings Discover how apocalyptic Biblical literature can help you see the redemptive work that God has in store for us today while we await his imminent return **Preaching the Gospel in an Apocalyptic World** John H.
