

You asked if I'd give us a chance
But our love could not be.
Although my heart was calling out
You were not right for me.
Perhaps another place or time
Perhaps another world
But as it is, as we are now,
I cannot be your girl.
I'd love to know what I'd have felt
If I let you inside.
And I'd love to know where we'd have been
If only we had tried.

Unrequited Poems:

Poems of Unrequited Love Sam Jeffery, 2011-04 **Unrequited** Patti Sirens, 2019-03 Patti intended this collection to be a collage of relationships those that went awry or ended too soon or where the two lovers involved were not well matched in their dedication or devotion to the relationship She wrote these poems as a catharsis an exorcism a healing They are interwoven with the seasons and nature to show the passage of time and how these affairs of the heart started progressed and broken down and how they colored and affected other aspects of the poet s life Her intention is to celebrate the finding of love and the spark of desire and to acknowledge the ways in which despite our best intentions we sometimes fall short of love how longing for an other is often a longing for something inside ourselves which we haven t yet discovered and how a lover is often a mirror for that strength or gift inside us In many of these pieces is the poet s desire to get it right and she wanted to express that maybe just the risk of loving another and being loved sometimes not in the ways the poet had wanted or expected but with a willingness to go for a wild ride regardless of where it ended is in itself getting it right For the poet these relationships were indeed a wild ride and she invites the reader to come along in the experience of these poems **To Relate To** M. Vedmid, 2018-08-12 Poems of Unrequited Love **Unrequited** Paul F. Wackell, 2016-09-11 Unrequited is a collection of poems about events emotions relationships friendships people and memories from the authors life This debut collection includes poems on topics and experiences that touch many of our lives from simple pleasures changes of season memories of loved ones love and loss regret betrayal and a deeply personal search for humanity and spirituality In these poems Paul not only narrates his experiences and events in his life he seeks to dig deeper into them to explore their nuances and discover their deeper meanings To quote the author Much of my work is me just trying to make sense of the events of my life and looking for answers to questions that might very well turn out to be rhetorical As the title of the book reveals many of the works in this collection including Unrequited II Unrequited III Loved You Anyway Love Is and Unrequited Still explore the thrill the pain the agony disappointment desperation and desolation of unrequited love Love and loss in poems like Paths Once Crossed Am I Lost Love Angel Watching and First Kiss play an important role in many of these works something that most people can relate to and empathize with from their own lives and experiences The collection though much ado about love it also covers a wide variety of other topics The poem A Simple Strange Dream chronicles a funny dream about a friendly skunk Other simple light hearted optimistic poems include A River Rising Moon Dream Dancer God II and God III First Tulip Cooling Joyous Summer Rain First Snow and The Rumble of Trains I Sing My Mind Electric Just the opposite poems like God Nothing Through Grace and Unnoticed are deeply personal inquisitive works that ask meaningful intense questions of god of himself and of the universe Paul also explores the sobering topic of clinical depression in poems like Depression Unnoticed Life s Biggest Lie Don t Tell Me Forever and Tonight My Confession Winter Wind Sometimes Life and Sometimes Fear While not an easy topic to explore it took the author years to come to terms with depression and this poetry helped him work

through many of the issues that have played a central role in his life for thirty plus years Among the authors favorites from this collection are Pollywogs Skipping Stones Happiness and Her Hands that chronicle two childhood recollections involving his Nana and Granpa The collection in Unrequited is simple and yet complex both sad and optimistic light hearted naive and yet highly inquisitive rhetorical soul searching filled with poems about love new love lost love the innocence of love lust and many more things life affirming and life exploring Paul describes himself in his poem I Am Again I wish now to be No more than I am A poet and a wanderer Traveling this earth Augustly searching For everything **Unrequited** Meggie Royer, 2016-05-13 Poems about unrequited love What to do when they come back What to do when they don't *He Doesn't Love Me* Callie Brighthouse, 2014-09-18 **Looking Glass Heart** Marissa Heard, 2017-04-13 Looking Glass Heart tells a story of unrequited love through poems notes and letters The debut collection from 21 year old poet Marissa Heard explores the plethora of emotions that come with loving someone who doesn't love you back and finding the strength to walk away Thy Tender Ship Has Sailed - a Collection of Unrequited Love Poems Nish Deodhar, 2017-02-17 A collection of my unrequited love poems most written in my teens and rewritten later for better form and structure The poems touch on unrequited love joy life happiness and sadness The poems also capture the angst that is so typical of teenagers Poems written on love run into tomes however on the unrequited kind there are far fewer This collection adds some to the unrequited tally *Unrequited Love and Other Poems* Elliot M. Rubin, 2018-12-20 poems on life **Poems for Unrequited Love** Audrey D R Heffley, 2025-08-13 A book containing 39 poems about my deepest feelings of requited or failing romantic love that I have felt and have caused others to feel Most of them are illustrated with story telling pictures that I drew myself My poems contain a lot of analogies and sometimes tell stories of their own Sometimes I drew a picture at the same time as writing the poem and if I did then I will include the illustration along with the poem Others I had an illustration in mind and never made it until I came close to publishing and some are without illustration There are pictures may help drive home the meaning of the analogies and stories The poems are mostly my own style but I find that expressionism and surrealism fantasy seems to best describe it Many of them are sad or involve sorrow and analogies using nature and animals are extremely common *Unrequited* Mona Soorma, 2018-03-21 **The Unrequited** Carrie St. George Comer, 2003 Winner of the 2002 Kathryn A Morton Prize in Poetry selected by Stephen Dunn *Poems for Bryan, A Story of Unrequited Love* nicole lynn peters, Unrequited Love Becca Jane, 2023-05-30 **Ramona's Poems** William V Edwards, 2010-04-07 This volume is a presentation of love poems written by the author in response to the absence of his love Upon his loves return to her homeland in order to complete her studies the author felt strongly compelled to pen deeply emotional poetry in an attempt to express both his intense love for her and his own sorrow at her absence Upon reading the poems one clearly begins to discern that they convey a range of different moods Some are a joyful celebration of Ramonas beauty some are a lamentation of her absence one or two even show indignation at what the author deems to be the unfair treatment directed towards him

In spite of this wide array of moods conveyed by the author it is abundantly clear that these poems are borne out of an intense love for Ramonaa love often tinged with pain Before publishing this volume the author commissioned a traditional hand bound copy of these poems as a personal gift to Ramona the woman who inspired them **The Exquisite Pain of the Unrequited: Poems** J.R. Rogue,2015-11-09 What happens when you meet your soul mate at the wrong time What happens when you meet your soul mate but you aren t theirs la douleur exquisite the exquisite pain of loving some unattainable Goodreads Choice Nominated poet J R Rogue s debut poetry collection tells the tale of a once in a lifetime love unreturned These heartwrenching and soul crushing poems are confessional while also being relatable This collection will make you feel seen in all your heartbreak I will write stories about how we lost each other because that s the part I will never get over That s the part I know best The Exquisite Pain of the Unrequited was previously published as La Douleur Exquise which translates to the exquisite pain **Unrequited** Carol Urena,2021-06-25 As a continuation of Love You True these are an additional 75 short poems without titles More expressions incurred by the feeling of true love A feeling that is all inspiring all consuming So much so that one can be overwhelmed by it By such a strong and pure emotion an emotion so strong one can even wonder how it is even possible to contain An emotion that goes beyond the heart When one experiences true love one realizes that it also goes beyond the mind beyond the body beyond the soul One can feel it without a single touch And be entirely content with it Without having the beloved at one s side Content even if the love is unrequited Not being necessary to experience love wholly or entirely Not necessary to feel the happiness brought on simply by the sensations that true love can give rise to *To a Clueless L* Ainsley McCoy,2024-09-18 The Shorter Poems Alastair J.
