Piece of Me Rachel Lavalley,2014-07-20 A snippet of the life of a teenage girl from 8th 11th grade in the form of poetry and short stories I use writing to sort situations so that they make sense to me I ve read these poems countless times to myself trying to come to terms with the way a friend left me disappointed how a theatre company filled me with so much joy the magnificence of nature the irony that we are just like the people whom we most dislike why I am the way I am and why other people are the way that they are Through writing I have discovered the amazing thing about art the artist can take a terrible situation and mold it into an expression of beauty

Words Barbara Martin-Collette,2019-08-08 Allowing words to be used as a GPS device one could travel from a positive position of a compass to a negative position of one The top of the compass can be compared to the words that encourage one to build his or her dreams Positive words can have the same effect as a traffic light The green light allows one to proceed in the direction in which one wishes to travel A direction full of prosperity encouragement and strong determination that will help one reach his or her destiny The bottom of the

compass could be compared to the use of negative words which could destroy one's dreams, hopes or ambition. Negative words have the same effect as a knife being thrust into one's back or a bullet shot into someone's heart. Be careful how you choose your words. You can either tear someone down or help build them up.

I AGAINST ME Brijesh Kumar Aloria, 2025-12-31. *I AGAINST ME* describes the inner journey of a person who for the first time realizes that their greatest struggle is not with the world but with themselves. This book guides the reader to their true self by peeling back layers of emotions, fears, wounds, old identities and mental illusions. Each chapter develops the ability to delve deeper within and see oneself until the reader recognizes that they were not broken but merely unknowingly hidden and at the end of this realization the ultimate declaration is born: I am now myself.

Etidorhpa, Or, The End of Earth John Uri Lloyd, 1896

Etidorhpa is an early science fiction novel depicting a man's descent into the bowels of the Earth at the instigation of a mysterious secret society. It is presented here complete with the original illustrations. Llewellyn Drury is visited by a mysterious old man whose defining physical feature is his large protruding forehead. The man offers to tell his story promising that his life and knowledge is worth writing down. Being as the man displays certain enthralling and supernatural powers, Drury assents to the task. *Etidorhpa* is this story interspersed with pauses wherein Drury questions his strange houseguest. John Uri Lloyd was a popular author of mystery and science fiction books. His profession however was pharmacology with his specialism being herbal medicines and ethnobotanicals. The presence of giant mushrooms in one portion of the story plus the various fantastical elements described have led some readers to speculate that the author's knowledge of mind altering substances influenced *Etidorhpa*'s plotting. Some sixty-five illustrations populate the pages of this book. They depict the stages of the journey plus some of the scientific and metaphysical concepts explored.
