

## NEEDED UNSPOKEN PRAYER REQUEST

---

“Everlasting God,

I bring this unspecified prayer request before You, for You are the Most High. Lord, You know what happens in everyone’s life even when we don’t speak it out.

Today, may You intervene in everyone’s unsaid supplication and restore their happiness.

Remind them that Your Holy Spirit is always by their side in whatever concern this is not any different. May You surround them with Your angels in this difficult moment so they may not feel overwhelmed.

Thank You, God.

*Amen”*

Jeff Todd Titon, 2020-07-03 The Fellowship Independent Baptist Church near Stanley Virginia was a group of fundamental Christian believers broadly representative of southern Appalachian belief and practice Jeff Todd Titon worked with this Baptist community for more than ten years in his attempt to determine the nature of language in the practice of their religion He traces specialized vocabulary and its applications through the acts of being saved praying preaching teaching and in particular singing Titon argues that religious language is performed and the context of its occurrence is crucial to our understanding and to a holistic view of not only religious practice but of folklife and ethnomusicology Titon s monumental study of The Fellowship Independent Baptist Church produced not only the first edition book but also an album and documentary film In this second edition of Powerhouse for God Titon revisits The Fellowship Independent Baptist Church nearly four decades later Brother John Sherfey the charismatic preacher steeped in Appalachian tradition has passed away and left his congregation to his son Donnie to lead While Appalachian Virginia has changed markedly over the decades the town of Stanley and the Fellowship Church have not

**What's Your Story** Toben Heim, Joanne Heim, 1999 One of the ways we get to know other people is by telling our stories And we can get to know other people by asking them to share their stories with us But how do we do that Tell me about yourself is a little vague for most of us It s too broad and hard to answer What s Your Story is an interactive guide designed to help people tell their stories by recounting their experiences feelings values and beliefs with others Filled with questions journal pages essays and dialog What s Your Story will get you talking about and listening to the things that really matter

**Observational Listening** Markus van Alphen, 2016-07-27 Conversational skills People already talk with one another dont they It should be redundant to write a book about conversational skills or so you would think Yet there are differences between people one seems to get a little more done than the next Often this boils down to subtle differences in the way they communicate Ordinarily people tend to ask questions with a certain goal or purpose in mind They then listen to the answer as if the answer is based on the question as they meant it to be Yet the other is answering based on what he understood the question to mean Observational listening trains the listener to let go of his own goals and interpretations and concentrate on the reactions evoked In other words the listener tries to find out what the question meant to the other In this way he gets it and is able to bring depth into the conversation in a natural way without resorting to tricks This book also goes further than your everyday conversation it is directed at conversational skills in psychosocial settings The philosophy behind the book is simple yet profound if you realise that communication is an emotion as well as the expression of emotion the way to becoming an excellent communicator is to understand emotion and how it translates into behaviour This is what makes this book unique it provides the missing link between emotion and

communication     *An Emotional History of the United States* Peter N. Stearns, Jan Lewis, 1998 Emotions lie at our very core as human beings How we process and grapple with our emotions how and what we emote and how we respond to the emotions of others constitute the essence of our social universe In a very real sense we exist only through the prism of our emotions And yet the profound effect of human emotion on history politics religion and culture remains underexamined While the influence of emotion in such realms as American foreign policy has been well documented other emotional aspects of American history have escaped notice What role for instance does emotion have in the practice of African American religion How do shame and self hatred influence American conceptions of identity How does our emotional life change as we age To what degree is American consumerism driven by basic human emotion With this landmark anthology historians Peter N Stearns and Jan Lewis provide a road map of the American emotional landscape From the emotional world of working class Massachusetts to the prayers of evangelical and pentecostal women and the gendered nature of black rage these essays provide a multicultural snapshot of the unique nature and evolution of American emotions     *Matthew West & Don't Stop Praying Devotional* MARRO CHUCK, 2026-03-03 What is the prayer you almost stopped praying The one that feels impossible The one that keeps you awake at night The one that begins with God I need You to move As believers we are invited to hold tightly to one powerful truth prayer is not empty words it is a living connection with a God who listens cares and responds Our conversations with Him matter more than we realize They shape our hearts strengthen our faith and carry eternal weight In Matthew West Don t Stop Praying Devotional MARRO CHUCK invites you into a 30 day journey of renewed hope and deeper trust This devotional reminds you that prayer is not about saying everything perfectly it is about showing up honestly before your Heavenly Father Through thirty meaningful readings you will learn how to keep praying when heaven feels quiet stand firm when answers seem delayed bring your fears and dreams openly to God establish a steady daily rhythm of prayer lift up others who need strength and breakthrough Each day offers a short devotional reflection Scripture focus guided prayer and space for personal response Designed for both new and seasoned believers this journey helps you move from frustration to faith from worry to worship and from silence to steady trust Whether you follow the thirty days consecutively or return to specific readings during difficult seasons this devotional serves as a companion in your quiet time with God Step into honest conversations Bring your real questions Share your deepest needs Your Father is closer than you think and He hears every word even the ones whispered through tears Don t lose heart Don t lose hope And above all don t stop praying     *American Milliner* ,1923     [Good-bye, Wisconsin](#) Glenway Wescott, 1928     **The Open Court** Paul Carus, 1928 vols 46 47 have special title New Orient Society monograph     **Bulletin** ,1919     *The Open Court* ,1928
