Heart to Heart Lurlene McDaniel, 2012-03-13 From Lurlene McDaniel, the bestselling author of young adult inspirational fiction, comes *Heart to Heart*. This emotionally charged novel explores loss, love, renewal, and the ways in which these complex bonds within families and between friends are tested at life's most challenging moments. Elowyn Eden and Kassey Messechek are best friends. They share every aspect of their lives. But one thing Elowyn has not yet shared with Kassey is that she checked the organ donor box on her newly acquired driver's license. Kassey only learns of this in a startling and devastating way when Elowyn's life-giving donor wishes are about to be honored. Arabeth St. Clair has not had the luck to have a best friend. Due to her diseased heart, she's led a sheltered life. When Arabeth is sixteen, she and her mother receive the call that will change their lives, but they don't know to whom they should be forever grateful. When the worlds of these three girls and their families intersect, lives are changed in ways never imagined. Most especially, it is Kassey who sees things differently for she can keep alive the memory of her dear friend by sharing the renewed life of another teenage girl while helping to ease the pain of the two families involved and coming to terms with her own.

Bustle.com Love family acceptance and forgiveness are at the center of this heartfelt novel that explores the unpredictable paths that allow people to follow their dreams and help them find a way back home. Ever since Sloan won a reality television singing competition, her music career has taken off. She suddenly finds herself with a manager, a recording contract, and a tour in the works. Her manager warned her that strangers would ask her for all sorts of things and that she must not respond. But one email stands out from a young woman who claims to be Sloan's half-sister. Sloan's mother, now deceased, never told her who her father was, so the prospect of knowing some family history is too strong a desire to ignore. Now Sloan must return to Windemere, the town where she grew up, to face a past she's worked hard to forget. One trip leads to another, and when circumstances take a devastating turn, Sloan is faced with a complicated choice involving not only herself but also those who have come to depend on her.
