Upside Down Zen A Direct Path Into Reality:

Upside-down Zen Susan Murphy, 2004 Zen Buddhism is a direct path into reality the self and the hard and exhilarating questions of being alive UPSIDE DOWN ZEN is an invitation to walk the path of crooked wisdom exploring the vivid spirit of Zen Buddhism and how it is taking root in the West Originally recorded as oral teachings these essays were written for anyone with an interest in meditation self knowledge and the opening of insight and compassion in ordinary life Susan Murphy s writing conveys the richness and depth of Zen By concentrating her gaze on the particular the lived moment she is able to explore the timeless wisdom of traditional Zen teachings in a contemporary setting Drawing on modern cinema Australian Aboriginal spirituality Australian literature traditional Japanese poetry and Jewish folklore to illuminate the old Zen koans These lyrical commentaries resonate with the poetry of life and art Her insights are rooted in those seemingly insignificant moments that are suffused with poignancy and truth A feast of Zen wisdom culture and philosophy Upside Down

Zen will broaden and intensify our understanding of Buddhist teachings in the West **Upside-Down Zen** Susan Murphy, 2006-11-13 Upside Down Zen invites readers to explore the vivid spirit of Zen Buddhism in fresh ways Recalling in another vein the warm lyrical style of Lin Jensen s *Bad Dog* author Susan Murphy offers a multifaceted take on the spiritual grounded in the everyday She uses her skills as storyteller filmmaker and poet to uncover the connections between Zen and Western cinema as well as between Zen and traditions as diverse as Australian aboriginal beliefs and Jewish folktales In the process she finds spirituality where it has always belonged wherever life is happening Murphy helps readers make sense of Zen koans the often oversimplified and misunderstood teaching stories of the tradition and highlights their wisdom for any reader on the spiritual path A strong new voice in Western Buddhism Murphy speaks for the many unrecorded women of Zen while bringing a lively literate approach to a sometimes daunting genre *A New Zen for Women* Perle

Besserman, 2007-04-03 Perle Besserman s adventures in a Japanese Zen monastery provide the groundwork for this lively heartwarming narrative of a woman s life in Zen Engaging in cross cultural dialogues with nuns and laywomen in India China Japan and more Besserman dispels the notion that women had nothing to do with the founding and sustaining of Zen She shows how women continue to transform traditional Zen in new and creative ways integrating the practice of meditation into their lives Both informative and entertaining *A New Zen for Women* offers a new look at Western women encountering Zen
