## Us History Readings:

*Readings in US History (Preliminary Edition)* Wladimir Miszczenko, 2016-08-19 The carefully curated selections in Major Events and Daily Lives Readings on United States History Since 1865 introduce students to fresh new perspectives on history and major historical events by exploring everyday issues that have impacted the American people's daily lives. The high interest readings address familiar and relatable topics yet still shed light on the events, culture, and consciousness of times past. These topics include a history of working class meals at the turn of the 20th century, the advent of bicycles in urban areas in the 1890s, the popular music of World War II, advertising in the Golden Age of radio, style and self-presentation during the social tumult of the 1960s and 1970s, and the invention of mass-produced baby food. These windows into the lives of average Americans enhance readers' understanding of not only the effects of history but the part each of us plays in making it enjoyable and informative. Major Events and Daily Lives shows the power of often overlooked details in the historical story. The book is an ideal supplemental reader for courses in post-Civil War American history and society.

**Major Events and Daily Lives** Walter Miszczenko, 2020-08-10 The selections in Major Events and Daily Lives Readings on United States History Since 1865 introduce students to new perspectives on history and major historical events by exploring everyday issues that have impacted the American people's daily lives. The readings address familiar and relatable topics while shedding light on the events, culture, and consciousness of times past. Topics include the myth and the reality of the Wild West, women's roles in the 1890s, advertising in the Golden Age of radio, popular music during World War II, and the invention of mass-produced baby food. The second edition features new articles that address the rise of baseball as an American pastime, golf during the Great Depression, xenophobia in the 1920s, comic books, and propaganda during World War II, and more. These windows into the lives of average Americans enhance readers' understanding of not only the effects of history but the part each of us plays in making it enjoyable and informative. Major Events and Daily Lives demonstrates the power of often overlooked details in the historical story. It is an ideal supplemental reader for courses in post-Civil War American history and society.

*Firsthand*, 1995      **Retracing the Past** Gary B. Nash, Ronald Schultz, 1989-09      **Readings in Latin American History** Lewis Hanke, 1966 The author has chosen articles which have made permanent contributions on significant topics sometimes embodying new approaches to the study of Latin American history and in general representing a balance between the work of veteran historians and younger scholars in the field The text of each article appears in its entirety minus the footnotes but with a brief introductory note to identify the author and to suggest the relation of his article to the relevant literature on the topic he treats Preface      **Reading Lists** Carnegie Endowment for International Peace. Library, 1930      *Teaching American History in a Global Context* Carl J. Guarneri, Jim Davis, 2015-07-17 This comprehensive resource is an invaluable teaching aid for adding a global dimension to students understanding of American history It includes a wide range of materials from scholarly articles and reports to original syllabi and ready to use lesson plans to guide teachers in enlarging the frame of introductory American history courses to an international view The contributors include well known American history scholars as well as gifted classroom teachers and the book s emphasis on immigration race and gender points to ways for teachers to integrate international and multicultural education America in the World and the World in America in their courses The book also includes a Views from Abroad section that examines problems and strategies for teaching American history to foreign audiences or recent immigrants A comprehensive annotated guide directs teachers to additional print and online resources      **Selected Readings in American History** Robert D. Becker, 1977      *The Birth of America* William R. Polk, 2009-10-13 In this provocative account of colonial America William R Polk explores the key events individuals and themes of this critical period With vivid descriptions of the societies that people from Europe came from and with an emphasis on what they believed they were going to Polk introduces the native Indians encountered in the New World and the black Africans who were brought across the Atlantic With insightful analysis he also discusses the dual truths of colonial societies growing up and growing apart As John Adams would point out to Thomas Jefferson the long years that witnessed the formation of our national character and the growth of our spirit of independence were indeed the real revolution That story forms the basis of *The Birth of America* In addition to its discussion of the influence the British had on the colonies *The Birth of America* covers the pivotal roles played by the Spanish French and Dutch in early America From the fearful crossing of the stormy Atlantic to the growth of the early settlements to the French and Indian War and the unrest of the 1760s William Polk brilliantly traces the progress of the colonies to the point where it was no longer possible to recapture the past and the break with England was inevitable America had been born      *Readings in American History* David Saville Muzzey, 1915      **Poor's Manual of the Railroads of the United States**, 1920      **Reading for the Young**, 1896
