The Emprob:

The Empress's Desire LG - E. Andrews,2020-04-09 An Wei and Apophany inseparable as children were forced into adulthood along vastly separate routes Apophany an empress through forced marriage and An Wei an orphan through politically motivated killings An Wei escapes through the valiant efforts of his father while Apophany must bear the foreboding pressure of leading her new empire as a figure head An Wei finding solace only within the beautiful memory of the smile of his best friend Apophany obtains direction for where he wants his life to conclude beside his best friend Fortunately for An Wei the emperor passed away as a result of his desire for the adrenaline filled life of warrior legends Not wanting to lose his chance An Wei ceases the moment to thrust himself back into Apophany s life Surrounded by political edicts traditional avenues and cultural bias An Wei understands that the only way to get to his Apophany is through the shadows created by his family An Wei soothes the mind and spirit of Apophany while honoring her request for him not to reveal his identity With war breaking out and Apophany showing signs that she still lacks the strength to help make a change in her empire An Wei sets out to give her as much time as she needs An Wei enlists to defend the empire Apophany soon understanding what her truest desire is searches for An Wei Apophany and An Wei through unforeseen events now must decide on the course of their native empire as An Wei now stands before Apophany an empress as an emperor With the fate of the land in their hands they are forced into mortal combat Apophany must decide between what is truly important in her life and subsequently the lives of her people traditions created generations ago or through the steady advancement of empowerment for all And Apophany must decide quickly as she finds herself yet again torn between mortal combat fear and her truest desire It is a sensual adventure of how passionate love for oneself and one s people is gained and lost before being rekindled through the trials of cultural conflict and domestic war
