*The Android (Animorphs #10)* K. A. Applegate, 2017-06-27 When Marco runs into his old friend Erek he doesn't think too much of it. He's got more important things to do like helping to save the world. But then Marco finds out Erek's been hanging with some of the kids at the Sharing and he starts to think that something just a little weird is going on. So Marco, Jake, and Ax decide to morph and check old Erek out. Just to see if he's been infested with a Yeerk. The good news is that Erek's not a human Controller. The bad news is that Erek's not even human.

**Children's Books in Print** R R Bowker Publishing, Bowker, 1999-12

**The Android** Katherine Applegate, 1997 The Animorphs have found an ally, an android named Erek King. Even though he's nonviolent, he has lots of vital information and he may just be the only hope the Animorphs have.

Animorphs: The Android K. A. Applegate, 1997

*The Android* Katherine Applegate, 1998 There's something seriously weird about Marco's old friend Erek. Erek's involved in the Sharing, which means that he is involved with the Yeerks. When Marco, Jake, and Ax decide to check Erek out, what they find is even weirder. Erek is not a human controller. In fact, Erek is not human.

The Ultimate (Animorphs #50) K. A. Applegate, 2017-09-26 Really big trouble is an understatement these days. The war with the Yeerks is full on, and it's definitely going to get worse. But Cassie and the other Animorphs have a lot more going on than just trying to stay alive. Now they've got to actively protect their families and the free Hork Bajir. And they no longer believe they can do it alone. The Yeerks are just too powerful. So Cassie and the others have to ask themselves a very important question: Is it time to increase their numbers? They all remember what happened with David, the Animorph gone bad. But this time, do they really have a choice?

**Animorphs** Katherine A. Applegate, 2001

The Revelation (Animorphs #45) K. A. Applegate, 2017-09-26 Things were already really weird. Fighting aliens, battling to have Earth, and still trying to be normal. Marco and the other Animorphs are almost used to it. But things are changing. The Yeerk invasion of Earth started out passively, secretly. But now everything seems to be stepped up. Even Marco's father is talking about some top secret project at his job. Something about discovering Zero space. Marco doesn't even know whether his father is a Controller. But he does know he's not going to let the Yeerks win this one. They've already got his mother. And Marco will do anything it takes to save his father. Anything.

*Animorphs* K. A. Applegate, 1999-04

The Secret (Animorphs #9) K. A. Applegate, 2017-06-27 There's something pretty weird going on in the woods behind Cassie's house, the place where Ax and Tobias call home. It seems the Yeerks have figured out one very important fact: Andalites cannot survive without a feeding ground. Visser Three knows the Andalite bandits don't feed where he does, so there can only be one other place. Now the Animorphs have to figure out a way to stop a bogus logging operation. Because if Visser Three finds Ax in the woods, nothing will stop him from finding the Animorphs.

help But the Chee s problem is much deeper than anything the kids could have imagined It s hidden in the ocean So far down that no human has ever travelled there and survived The Animorphs realize what will happen if Visser Three discovers the valuable secrets of the Chee One of which is the existence of the Animorphs **The Attack (Animorphs #26)** K.
