*The Armageddon Network* Michael P. Saba, 1984      **Disciples of Destruction** Charles W. Sutherland, What's going on in the world Every day we hear more horror stories about the wars in the Middle East Americans are afraid to travel world wide because of their justified fears of terrorism And here at home we watch with amazement as the fundamentalists battle over control of a TV empire riddled with sex and drugs with a scenario that makes prime time television look tame As money sex and power once again take their toll *Disciples of Destruction* examines religion itself and the role it has played since time as we know it began Sutherland uncovers and analyzes the real ramifications of organized religion and its devastating effects on Western civilization *Disciples of Destruction* is packed with little known vignettes that are sure to astonish amuse and sometimes even outrage the reader Few will fail to be drawn in by the account of the Corpse Synod in which a Pope's body was exhumed put on trial for high crimes and subsequently dragged through the streets of Rome or shocked by the plausible contention that Albino Luciani elected Pope John Paul I in 1979 but destined to reign for only 33 days did not die a natural death but was in fact assassinated Sutherland convincingly concludes that organized religion even today maintains the proclivities of its barbaric origins as Israeli expansionism the Vatican's obsession with its financial empire the atrocities of Khomeini's Islamic Republic and Marxist militarism and repression amply demonstrate These proclivities updated to our century indicate that while the long battle to liberate the mind from the fear of tyranny continues the slow process of slaying the dragons of mythology is not keeping step with the pace of nuclear weapons development and deployment which accelerates in the context of an equally explosive growth of religious fundamentalism Unchecked this makes armageddon the easiest prophecy to fulfill      **Introduction to New and Alternative Religions in America** William M.
