## **The Empire City:**

Glens Falls, New York, "the Empire City"; Our Part and Place in History James Austin Holden, 1908      **The Empire City**  
George Lippard, 1864      **Reports of Practice Cases, Determined in the Courts of the State of New York** Austin  
Abbott, 1858      **Yonkers in the Twentieth Century** Marilyn E. Weigold, Yonkers Historical Society, 2014-10-30 Yonkers in  
the Twentieth Century chronicles the decline and rebirth of the fourth largest city in New York State once known as the  
Queen City of the Hudson and the City of Gracious Living Previously an industrial powerhouse the city's factories turned out  
essential items that helped the United States win two world wars Following World War II the industrial base of Yonkers  
eroded as companies moved away contributing to an increase in poverty To address the housing needs of its low income  
residents Yonkers built public housing resulting in a nearly thirty year court case that for the first time in United States  
history linked school and housing segregation The case was finally settled in the early years of the twenty first century a time  
that also witnessed the continuation of the city's economic redevelopment efforts along the Hudson River and contiguous  
downtown area Striving to once again become the Queen City of the Hudson Yonkers is being rebuilt beginning at its historic  
waterfront      Ozarks Gunfights and Other Notorious Incidents Larry Wood, 2010-02-08 In Ozarks Gunfights and Other  
Notorious Incidents award winning author Larry Wood shares true stories about the region's infamous history The battle  
between the Blue and Gray had ended but the Ozarks were still witnessing a war Divided loyalties gave rise to rampant  
lawlessness and debauchery plaguing this region with robberies shootouts and showdowns In twenty five compelling  
chapters Larry Wood meticulously compiles his research from the shocking incidents that took place in the Ozarks during the  
late 1860s through the 1950s to include haunting portraits of the corrupt criminals snapshots of Western towns where the  
events took place and excerpts from previously published magazine articles Wood recalls the notorious Springfield Missouri  
showdown between Davis Tutt and Wild Bill Hickok which ushered in the era of the Wild West He remembers the biggest  
railroad settler dispute in Kansas history and the Roscoe shootout that resulted in the murder of John Younger a member of  
Jesse James's gang at the hands of Pinkerton detectives This revealing volume also mentions the not as well known but  
equally as scandalous crimes including the bank holdup by female bandit Cora Hubbard and the bloody Benders massacre as  
well as such infamous outlaws as Bonnie and Clyde Bill Cook Henry Starr and many more A vivid portrayal of the time when  
western Missouri was part of the Wild West Larry Wood has enhanced his careful historical research with graphic details and  
meaningful commentary His account of these little known bad men and women gives a true picture of the wild and brutal  
side of the era Ellen Gray Massey author of The Bittersweet Ozarks at a Glance      New York Court of Appeals. Records and
