U Got 2 Pray:

Tales from the Eagle's Nest - a view 2 a Prophecy Markku Kopare, I Am Someone Special Belinda Hernandez, 2016-03-12 In the book *I Am Someone Special* the author shares the story of her dysfunctional childhood her journey through the road of drug addiction and drug dealing and how she struggled to leave her dark past behind and move on to a new and better life Ms Hernandez did not experience the kind of childhood others enjoy by being adopted into a wealthy well off family She failed to receive the affection she wanted from her parents particularly from her adoptive mother The author was the youngest among seven children and the one who received the worst treatment from her alcoholic mother who was also addicted to drugs Her birthmother had stabbed her in the head when she was a nine month old baby After an incident that almost robbed the author of her life she was placed into an orphanage where her adoptive parents rescued her The authors adoptive family gave her the love she had long wanted along with everything she and her adopted brother and sister could ask for But despite it all Ms Hernandez became rebellious especially as a teenager Her rebellious teenage years eventually led her to the wrong path as she started using drugs and selling it as well She worked further into the drug business until she got caught and sentenced for a couple years in prison After serving her sentence the author strived to live a clean life and start anew With the help of her faith in God and the support of the man she loves she managed to reinvent herself into a better and strong person *I Am Someone Special* might appeal to a reader interested in stories that have changed the lives of individuals who recovered from drug addiction and made the decision to rebuild their lives away from drugs If you would like to get ahold of the author for questions or for advice contact her through Belindahernandez664 yahoo com You can buy my books at Amazon Barnes and Noble and Books A Million **Sum 4ts Emails** Rose Aigbogun, 2002-10-01 You've taken the first step now what Starting a new life in Christ is exciting but it often comes with a flood of questions and new challenges This collection of candid correspondence *Some Thought Emails* is the essential guide every new believer needs Written as a warm personal exchange between an experienced mentor and a spiritual beginner these emails are filled with practical wisdom and heartfelt encouragement They don't shy away from the hard questions but instead seek to encourage exhort and establish you in your brand new faith Inside you will find Scripture based answers for navigating doubt and understanding key Christian principles Practical guidance for integrating your faith into your daily life Tools to grow your commitment to and love for Jesus Consider this your personal mentorship in a book a reliable voice cheering you on and guiding you toward a more dedicated joyful Christian life *A Concordance to the Psalter contained in the Book of Common Prayer, etc. [By Charles Girdlestone.]*, 1864 *A concordance of the Prayer-book version of the Psalms [by H.J.]*. H. J., 1857 *In the House of the Serpent Handler* Julia C. Duin, 2024-01-12 In the *House of the Serpent Handler* offers an intimate and engrossing look at the latest generation of Pentecostal believers who take up venomous snakes as a test of their religious faith Focusing on several preachers and their families in six Appalachian states journalist Julia C Duin

explores the impact that such twenty first century phenomena as social media and reality television have had on rituals long practiced in obscurity As Duin reveals the mortal snakebite suffered by pastor Mack Wolford in 2012 marked the passing of the torch to younger preachers Jamie Coots and Andrew Hamblin who were featured in the 2013 series Snake Salvation on the National Geographic Channel Seeing their participation in the show as a way of publicizing their faith and thus winning converts Coots and Hamblin attempted to reinvent the snake handling tradition for a modern audience The use of the internet particularly Facebook became another key part of their strategy to spread their particular brand of Christianity However Coots s own death in 2014 was widely reported after the TV series was canceled while Hamblin who emerges as the central figure in the book was arrested and tried after a shooting incident involving his estranged wife His hopes of becoming a serpent handling superstar seemingly dashed Hamblin spent several months in prison emerging more determined than ever to keep to the faith By the end of the narrative he has begun a new church where he can pass on the tradition to yet another generation Duin s thorough sympathetic reporting and lively style bring the ecstatic church services she witnessed vividly to life and through interviews and quotations from the principals Facebook postings she has allowed them to express their beliefs and reveal their everyday lives in their own words She also gives the reader an up close view of how a reporter pursues a story and the various difficulties encountered along the way Together these elements frame a striking picture the young practitioners of a century old custom one so often dismissed as bizarre by outsiders adjusting to the challenges of the new millennium Julia C Duin the former religion editor for the Washington Times has published articles in the Washington Post the Wall Street Journal and other national publications She is the author of five previous books including most recently Days of Fire and Glory The Rise and Fall of a Charismatic Community Western Teacher ,1904 A complete concordance to the sacred Scriptures, slightly condensed Alexander Cruden,1874 **Queries** ,1888 **A complete concordance to the holy Scriptures.
