Unlikely Ghosts:

The Unlikely Ghosts James Turner, 1967 Unlikely Ghosts James Turner, 1969 **The Unlikely Ghosts** James Turner, 1967 *The Unlikely Ghosts. A Collection of Twelve Ghost Stories. Edited by James Turner* James Ernest TURNER, 1967 Ghosts Christopher Maynard, 1977 This book relates famous ghost stories and explains the techniques and equipment of ghost hunting and explains how fakes and hoaxes are exposed Whiskey and Other Unusual Ghosts S.L. Edwards, 2023-02-17 Whiskey and Other Unusual Ghosts debuts a meteoric new voice in modern dark fiction In these tales you ll discover the humanity of horror and the traumas that birth ghosts of all kinds From inner demons to the bloodied fields of war Edwards maintains his unique voice while whispers of classic writers such as Arthur Machen and Thomas Ligotti shine through Edwards enters the contemporary dark fiction crowd with a standout collection that is likely to cement his position amongst the modern greats With a new introduction to the second edition by Mer Whinery the original introduction by Gwendolyn Kiste and artwork by Yves Tourigny Armed with a taut understanding of power and the damage that power can do Sam s stories are conscientious unsparing and a reflection of the world we ve broken A writer with a vision to watch Nadia Bulkin author of *She Said Destroy* Whiskey and Other Unusual Ghosts by S L Edwards is a startling debut collection whose author has unflinching insight into the political and the personal into the human and the inhuman alike A true standout among the new voices in modern Horror Fans of Nadia Bulkin will find a lot to love here Matthew M Bartlett author of *Gateways to Abomination* and *Where Night Cowers* **A Brief Guide to Ghost Hunting** Leo Ruickbie, 2013-08-15 There has been an upsurge in books television programmes films and websites exploring the reality or otherwise of the spirit world Not since the founding of The Ghost Club in 1862 and the Society for Psychical Research in 1882 has ghost hunting been so popular Television and the internet in particular have fueled this new level of interest creating a modern media phenomenon that spans the globe But while the demand for information is high good information remains scarce A Brief Guide to Ghost Hunting leads us through the process of ghost hunting from initially weighing the first report to choosing equipment and investigating and identifying the phenomena with an analysis of the best places to go looking methods of contacting the spirit world how to explain paranormal activity and crucially how to survive the encounter However it is also a book about ghost hunting itself drawing on 130 years of research in the cavernous archives of the Society for Psychical Research and even older history to find the earliest ghost stories A Ghost Hunting Survey makes use of interviews with those billing themselves as ghost hunters to find out their views motivations and experiences New and original research makes use of statistics to map the nebulous world of apparitions while a Preliminary Survey of Hauntings offers an analysis of 923 reported phenomena from 263 locations across the UK This is as far as possible an objective presentation of ghosts and ghost hunting It is no wonder that mainstream science largely refuses to deal with the subject it is too complicated Without trying to convince you of any viewpoint this book is intended to help you understand more Haunted! Darlene Wilson, 2003-05-06

Ghost hunter Grace Heathfield is furious when rival psychic Eric Magidan is also hired to settle the ghosts of a serial murder a murder Grace is dead certain has never been solved Romanced by the town s newspaper owner Grace may be falling in love with a killer Unknown to her Eric methodically works in the background to bring that killer to justice as his admiration and love for Grace grows When the wrong person confesses to the murders and an injured child comes out of hiding Grace and Eric must stop the real killer before Grace becomes the next target But the ghosts of Ten Oaks decide to take matters into their own hands Come along on a ghost hunt in this paranormal mystery and enjoy every surprising turn of events as the line between ghosts and mortals grows thin

Chaohybrids Ronnie Lippens,2000 Five essays drawing inspiration from various theoretical strands contemplate the ambivalence of contemporary life Lippens uses psycho geographical imagery as a metaphor for this life utilizing this motif in a postmodern literary style which shakes the reader s preconceived notions from them Theories touched upon throughout the book include postcolonial thought poststructuralism cultural studies and radical democratic theory

How Uk Should Be James Nicholls,2020-12-10 This is a book which holds a very large amount of my ideological beliefs which form a new ideology quite unlike any other before it I dream of a better world a healthier world A world where people are safe and all products which poison the minds and lead to human destruction don t exist A world where animal species are never driven to extinction and co exist with people rather well where many natural areas of the world remain untouched unpolluted and humans are safe from the natural hazards of the world and the unnatural hazards of the world An economic system which is fair and relatively stable and where jobs are as easy to get as merely talking A world where every religion is at peace with the other as are its followers to followers of another A justice system which is real justice and countries whom many people can say their honestly proud of being a citizen of A world free of economic corruption and instability Grasslands as green as the deepest green and forests which have trees not seldom seen A world where everyone can claim free speech no matter how outrageous radical stupid or barbaric it may sound to those people with differing views The name of this new ideological belief should be officially called Distributionism This book mainly focuses on the United Kingdom and what s best for the United Kingdom but it can be read comfortably by people who aren t UK citizens

More Haunted Houses Joan Bingham,Dolores Riccio,1991-10 From Simon Schuster More Haunted Houses is a guide to cryptic hangouts and ghostly locales in the United States From a robber s cave that echoes with voices of its past to America s own Loch Ness Monster to a vampire infested cemetery this fascinating companion volume to Haunted Houses USA takes us on a tour of some of America s spookiest places

Image and Power Sarah Sceats,Gail Cunningham,2014-09-11 Image and Power is an important work of literary and cultural criticism This collection of essays focuses on some of the major issues addressed by women s writing in the twentieth century concerning genre subjectivity and social and cultural expectations issues which in the past have been regarded from an essentially male perspective The text introduces women writers whose novels have been widely read and provides an important contribution to the debate about women in literature
