Daniel Unlocks Revelation Gerald Flurry, Philadelphia Church of God, 2013-10-17 The book of Revelation is a mystery to most people However few understand that the Old Testament book of Daniel is the key to comprehending the mysterious book of Revelation Daniel continually realized that God was his judge and therefore refused to compromise regardless of the trial he found himself in It is only to someone with that kind of an attitude that God can reveal spiritual understanding that unlocks His incredible revelation In this booklet The Father Focus in Prophecy God Is My Judge Daniel s Vision Unlocking Revelation *The Revelation Unlocked* Carolyn M. Prince, 2017-04-30 Prophetic events in The Revelation of Jesus Christ have been locked from our understanding ever since they were given to John about AD 95 However God has never intended that His people be in darkness during the fulfillment of latter day prophecies Daniel was told that the words of his latter day prophecy were closed up and sealed till the time of the end Then none of the wicked will understand but the wise will understand This is the time of the end Now at last symbols in Revelation as well as other parts of the Bible are explained from Scripture in a way that can be easily understood The Revelation Unlocked tells about the redemption of Israel and explains the series of events by which Almighty God will bring into effect His promises given in Genesis to Abraham Isaac and Jacob ultimately revealing His supreme power over all creation This enlightening thought provoking and easy to read book includes many end time details never before pointed out in scripture

**Unlocking Horns** Bill Treasurer, 2019-04-28 There's no escaping the reality of conflict at work. Whether you're a new leader having to confront poor performance issues or a seasoned leader having to protect your organization's interests as you negotiate with an over-dominant customer, in order to be successful, you're going to have to be skilled at engaging in conflict. Running away is not an option. Fundamentally, there are two kinds of conflict: productive or destructive. The reason many people shy away from conflict is because they've witnessed or experienced the painful effects of destructive conflict. Poorly managed conflict is costly. At best, destructive conflict results in hurt feelings. At worst, mismanaged and destructive conflict ends in workplace violence. So getting conflict right and keeping it productive is supremely important. Productive conflict yields transparency where people don't swallow or hide their true opinions and perspectives. Productive conflict creates shared accountability where people don't fear confronting teammates who aren't carrying their weight or are not upholding the organization's values. Productive conflict is good business. It just takes courage on your part. In this 8.5x11 interactive workbook, you will learn how to discuss the importance of conflict, understand the various sources of conflict, learn practical ways to make conflict productive in the workplace, and practice improving your own personal ways of dealing with conflict and dilemmas. This is a must-have training tool for leaders, managers, small business owners, and executives. This interactive workbook is perfect for HR, career development, HR managers, business leaders, startup founders, and other teams.
