The unnecessary pastor : rediscovering the call Marva ; Peterson Dawn (Eugene), 2000 **Choose the Life** Bill Hull, 2004-05-01 Many churches harbor harried congregations merely going through the motions sleepwalking saints who fail to experience transformed living Many are unable and unwilling to share the gospel convinced that it s not their gift True disciples do more than the minimum explains Hull They choose the life and commit to bringing Jesus to the lost They live out their beliefs and walk the walk Submission shows the doubting world that Christ is embedded in their character Choose the Life is a practical tool as accessible to laypeople as ministry leaders Any church seeking life changing significance will be challenged by this cutting edge resource No hand holding here Choose the Life shows church members how to take individual responsibility for both being discipled and discipling others **The Message Devotional Bible** Eugene H. Peterson, 2018-10-02 Find Your Way in Scripture Scripture is another world One we find our way into And one that finds its way into us Steeped in Scripture Eugene Peterson s faith filled reflections open the door The Message Devotional Bible invites you on a journey call it practicing resurrection call it eating this book or call it simply a long obedience in the same direction From the pastor who translated the entire Bible The Message Devotional Bible sets you on the right path devoted

Prior,2020-03-16 We are living through a digital revolution which already touches every area of life and will continue to shape the future in as yet unforeseen ways Digital technologies are an ordinary part of daily life and yet they also present an unprecedented challenge to Christians to articulate a biblical theological framework to navigate times of rapid change The work of the French theologian Jacques Ellul is a theological time bomb primed for times like these Accounts of Ellul s career often divide off his sociology and theology but this book argues that Ellul conceived a single project of bringing technology into confrontation with the Word of God tackling the phenomenon he named technique the pursuit of maximal power and efficiency implicit in the technological enterprise with a profound depth of biblical and ethical insight Centering himself on the apocalypse or revelation of Jesus Christ in history Ellul offers a monumental timely though far from flawless contribution to contemporary ethical debates about the uses and abuses of technologies His work blazes a trail that Christians and all concerned for the future would do well to follow as we avoid both the naivety of technological neutrality and the dread of technological determinism Tell It Like It Is Lillian Daniel,2005-12-30 Lillian Daniel shares how her congregation re appropriated the practice of testimony one Lenten season a practice that would eventually revitalize their worship and transform their congregational culture The experience strengthened lay leadership fostered more intimate community and drew the congregation closer to God The book features the testimonies worshipers heard and reflections from both those who spoke and those who listened to these stories about God at work in the world **The National Druggist** ,1910 *Time* Briton Hadden, Henry R.
