## Until The Spring:

*Hold Until Spring* Loren Robinson, 1997-12 The first part of the book *In the Jaws of Red Dragon* is inspired by true stories that happened in my life and the lives of those who crossed under the knives of the Soviet regime You will read amazing stories of the child that was trapped in the communist system Being constantly persecuted by the authorities this child this child refers to me was searching for answers on how to escape from the country that took away childhood from Christian children like me When I was growing up the desire to fight back never faded away from my mind On the contrary it was getting stronger The day had come when I became a soldier in Christ at the age of thirteen standing for my beliefs and fighting for my Christian rights and religious freedom within the jaws of the red dragon Part II of the book *New World* is about me living in the U S it tells you about the exciting landing in New York and all the emotional moments of tasting the freedom The first sight that I saw was the Statue of Liberty It felt like the statue was talking to me Give me your tired your poor large drops of tears rolled down my cheeks It wasn't a dream anymore it was a real free world Part II will tell you about my achievements and failures my happy moments and tragedies my romantic love and marriage You will learn how God works everything for good for those who love him This deeply emotional and full of miracles testimony will touch your heart and will open a window into the world that you never saw before
