Upas Tree:

The Gardener's Monthly and Horticulturist Thomas Meehan,1886 A Time and Times Alice Werner,1886

Meyerbeer's L'Africaine Robert Ignatius Letellier,2022-03-04 Vasco de Gama was the last collaboration between Giacomo Meyerbeer and Eug ne Scribe the famous playwright and librettist The work had intermittently preoccupied them both since 1838 and it had become legendary as L Africaine years before its completion The first version of the opera became known as the Vecchia Africana of the long years of Meyerbeer s anxious labours on this most troublesome of his operas An adoring public gave Meyerbeer a tumultuous posthumous accolade on the premi re of L Africaine on 28 April 1865 a year after his death This opera which involved Meyerbeer and Scribe s creative energies for so long includes in one last and splendid achievement many of the elements that had hitherto featured in varying degrees in all their other joint creations Both composer and librettist were men of immense imagination and genius Between them they created four works of great power and beauty that radically affected the history of opera This study examines the origins and creation of the opera its dramaturgy and musical style the history of its astonishing reception around the world until the 1930s its revival in more recent times One of the special features of the book is the collection of iconography associated with the work and its interpretation by many of the greatest singers of the Golden Age of opera This imagery and many musical examples help to bring out the themes explored in this work more fully

The Ladies' Repository ,1857 The idea of this women s magazine originated with Samuel Williams a Cincinnati Methodist who thought that Christian women needed a magazine less worldly than Godey s Lady s Book and Snowden s Lady s Companion Written largely by ministers this exceptionally well printed little magazine contained well written essays of a moral character plenty of poetry articles on historical and scientific matters and book reviews Among western writers were Alice Cary who contributed over a hundred sketches and poems her sister Phoebe Cary Otway Curry Moncure D Conway and Joshua R Giddings and New England contributors included Mrs Lydia Sigourney Hannah F Gould and Julia C R Dorr By 1851 each issue published a peice of music and two steel plates usually landscapes or portraits When Davis E Clark took over the editorship in 1853 the magazine became brighter and attained a circulation of 40 000 Unlike his predecessors Clark included fictional pieces and made the Repository a magazine for the whole family After the war it began to decline and in 1876 was replaced by the National Repository The Ladies Repository was an excellent representative of the Methodist mind and heart Its essays sketches and poems its good steel engravings and its moral tone gave it a charm all its own Cf American periodicals 1741 1900
