Snake Poems An Aztec Invocation:

Snake Poems Francisco X. Alarcón, 2019-03-12 For beloved writer and mentor Francisco X Alarcón the collection *Snake Poems An Aztec Invocation* was a poetic quest to reclaim a birthright Originally published in 1992 the book propelled Alarcón to the forefront of contemporary Chicano letters Alarcón was a stalwart student researcher and specialist on the lost teachings of his Indigenous ancestors He first found their wisdom in the words of his Mexica Aztec grandmother and then by culling through historical texts During a Fulbright fellowship to Mexico Alarcón uncovered the writings of zealously religious Mexican priest Hernando Ruiz de Alarcón 1587-1646 who collected often using extreme measures translated and interpreted Nahuatl spells and invocations In *Snake Poems* Francisco Alarcón offered his own poetic responses reclaiming the colonial manuscript and making it new This special edition is a tender tribute to Alarcón who passed away in 2016 and includes Nahuatl Spanish and English renditions of the 104 poems based on Nahuatl invocations and spells that have survived more than three centuries The book opens with remembrances and testimonials about Alarcón's impact as a writer colleague activist and friend from former poet laureate Juan Felipe Herrera and poet and activist Odilia Galván Rodríguez who writes This book is another one of those doors that Francisco opened and invited us to enter Here we get to visit a snapshot in time of an ancient place of Nahuatl speaking ancestors and Francisco's poetic response to what he saw through their eyes

Latin American Writers on Gay and Lesbian Themes David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe

Snake Poems Francisco X. Alarcón, 1992 Inspired by one of the few existing treatises on the culture of Nahuatl the Indian language primarily spoken by the Aztec *Snake Poems* by award winning poet Francisco X Alarcón represents the first time a contemporary writer has returned to the Aztec heritage empowering himself not only as a translator and commentator but as a medium in the tradition of the poet as a shaman
