Telling Travels:

Mary Lincoln Stacy Pratt McDermott, 2015-01-09 One of America's most compelling First Ladies Mary Lincoln possessed a unique vantage point on the events of her time even as her experiences of the constraints of gender roles and the upheaval of the Civil War reflected those of many other women The story of her life presents a microcosm through which we can understand the complex and dramatic events of the nineteenth century in the United States including vital issues of gender war and the divisions between North and South The daughter of a southern slave holding family Mary Lincoln had close ties to people on both sides of the war Her life shows how the North and South were interconnected even as the country was riven by sectional strife In this concise narrative Stacy Pratt McDermott presents an evenhanded account of this complex intelligent woman and her times Supported by primary documents and a robust companion website this biography introduces students to the world of nineteenth century America and the firsthand experiences of Americans during the Civil War

Mabel Daniels: An American Composer in Transition Maryann McCabe, 2017-10-05 Mabel Daniels 1877-1971 An American Composer in Transition assesses Daniels within the context of American music of the first half of the twentieth century Daniels wrote fresh sounding works that were performed by renowned orchestras and ensembles during her lifetime but her works have only recently begun to be performed again The book explains why works by Daniels and other women composers fell out of favor and argues for their performance today This study of Daniels's life and works evinces transition in women's roles in composition the professionalization of women composers and the role that Daniels played in the institutionalization of American art music Daniels's dual role as a patron composer is unique and expressive of her transitional status

unexplored territory of Alaska irresistibly drawn to its awe inspiring glaciers and its wild menagerie of bears bald eagles wolves and whales Half poet and half geologist he recorded his experiences and reflections in *Travels in Alaska* a work he was in the process of completing at the time of his death in 1914 As Edward Hoagland writes in his Introduction A century and a quarter later we are reading Muir s account because there in the glorious fiords he is at our elbow nudging us along prompting us to understand that heaven is on earth is the Earth and rapture is the sensible response wherever a clear line of sight remains This Modern Library Paperback Classic includes photographs from the original 1915 edition

Luther League Review ,1920 [Memoir](#) ,1916 [The Grand Affair](#) Paul Fisher,2022-11-01 A Wall Street Journal and Times Literary Supplement Book of the Year Long listed for the Plutarch Award A bold new biography of the legendary painter John Singer Sargent stressing the unruly emotions and furtive desires that drove his innovative work and defined the transatlantic fin de si cle culture he inhabited A great American artist John Singer Sargent is also an abiding enigma While dressing like a businessman and crafting a highly respectable persona he scandalized viewers on both sides of the Atlantic with the frankness and sensuality of his work He charmed the nouveaux riches as well as the old money but he reserved his greatest sympathies for Bedouins Spanish dancers and the gondoliers of Venice At the height of his renown in Britain and America he quit his lucrative portrait painting career to concentrate on allegorical murals with religious themes and on nude drawings of male models that he kept to himself In *The Grand Affair* the historian Paul Fisher offers a vivid life of the buttoned up artist and his unbuttoned work Sargent s nervy edgy portraits exposed illicit or dark feelings in himself and his sitters feelings that high society on both sides of the Atlantic found fascinating and off putting Fisher traces Singer s life from his wandering trans European childhood to the salons of Paris and the scandals and enthusiasms he caused and on to London There he mixed with eccentrics and aristocrats and the likes of Henry James and Oscar Wilde while at the same time forming a close relationship with a lightweight boxer who became his model valet and traveling partner In later years

Sargent met up with his friend and patron Isabella Stewart Gardner around the world and devoted himself to a new model the African American elevator operator and part time contortionist Thomas McKeller who would become the subject of some of Sargent's most daring and powerful work Illuminating Sargent's restless itinerary Fisher explores the enigmas of fin de siècle sexuality and art fashioning a biography that grants the man and his paintings new and intense life *Travel*, 1914
