## Terms Of Surrender:

**The Terms of Surrender** Louis Tracy, 2018-07-04 The Terms of Surrender By Louis Tracy The terms are the promises each side makes to the other so the conflict is ended For example in 1865 at Appomattox Virginia some of the terms of surrender included allowing soldiers to return home as long as they gave up all their military supplies They could keep their horses or mules if they owned them We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience
