WHEN A PROPHET CRIES BOOK SUMMARY When a prophet cries is a practical book about the prophetic calling that will inspire the spiritually mature as well as the milk drinker One day as I was listening to the Holy Spirit He asked me what is 7 x 7 I was so stunned by the question that I could hardly recall the answer He went on to ask how old are you It occurred to me that both answers were 49 He continued That you may know I still use my prophets to mark certain events go to Leviticus 25 When I began to read about the 7 x 7 years in the eighth chapter I was flabbergasted I realized that my age directly correlates to the year of overflow preceding the year of Jubilee for this season I asked the Lord for confirmation of this fresh revelation and He gave it I was listening to a bible on cassette one day and the following words leaped out at me And Noah was six hundred years old when the flood of waters was upon the earth On another day these words seemed to leap from the pages I was reading And in the sixth month the angel Gabriel was sent from God unto a city of Galilee I remember thinking the sixth month of what It was then that the Spirit of God took me to this verse in Luke 1 36 And behold thy cousin Elisabeth she hath also conceived a son in her old age and this is the sixth month with her who was called barren This book was written by the inspiration and insistence of the Holy Spirit He anointed me to write and I obeyed The result was a book that has activated many of my sample audience to seek a closer relationship with God A teenaged reader said that she began to cry while reading When a prophet cries and she has felt closer to the Lord ever since She said that her whole life was changed A young lady from my gym said that is an awesome book I just had to read it over and over I have received countless phone calls from people commenting on how their lives have been touched by this writing I believe this writing will attest to the fact that God has a personal interest in His people so much so that He has mandated that the prophets speak forth his heart to them I am anointed to write for this season to a people who are hungry and thirsty for the living word of God Though many messages have gone before this book is a holy designation for that portion of the body of Christ that are desiderate for a rhema from the Spirit of God *The Long Road Home and Other Short Stories from the Silences in the Gospel of Mark* James S. Lowry, 2013-05-17 Borrowing from the ancient rabbinic use of midrash as a means of opening Scripture to students James Lowry has chosen six texts from among those in which he believes Mark deliberately left silences The author is convinced Mark hoped his readers would be encouraged to raise a variety of possibilities as to what the evangelist left unsaid Beginning with Mark choosing not to name the temptations of Jesus Mark 1 12 13 and concluding with Mark choosing to conclude his narrative with the women leaving the tomb of Jesus in stunned silence Mark 16 8 Lowry spins short stories that suggest several alternative ideas as to how the biblical narrative might have played In half of the tales Lowry enters the text and adds fictitious material to Mark's narrative In the other half his stories are set in the small textile town of Great Falls South Carolina where the author grew up in the 1950s The hope is these stories will encourage readers of Mark and groups
