Way Of Spiritual Direction:

The Way of Spiritual Direction Francis Kelly Nemeck, Marie Theresa Coombs, 1993 It may well become a classic in this important area of spirituality It is the reader's opinion that if you read only one book on this subject this year *The Way of Spiritual Direction* should be the one John G Durbin STL *The Gift of Spiritual Direction* Wilfrid Stinissen, 1999 It is a truism that we live in a time of renewed spiritual self search and reflection the response some suggest to a feeling of meaninglessness or superficiality in one's spiritual life Many people search for someone who will listen guide and encourage them but entrusting one's very soul care to another calls for a gifted guide Written for all those who in any way are involved in spiritual direction and pastoral care or wish to prepare for the same Stinissen's book discusses the qualities essential for such counselors advisers and is meant to renew and strengthen the Church's role as a primary source for meaningful spiritual therapy Among the themes explored are listening dialogue false and real feelings of guilt difficulties in prayer discerning God's will Every person longs to be able to expose himself to another human being in his full reality writes Stinissen with his light and his darkness and to be accepted and loved just as he is To that end he emphasizes the important role and responsibility of a spiritual director or soul friend In addition to reflecting on specific qualities or qualifications of the director Stinissen discusses some of the specific questions a director is likely to be asked by the directee and helpful ways of responding in various situations [Finding Our Way to God](#) Dennis Joseph Billy, 2018-06 *Finding Our Way to God* offers an approach to spiritual direction using mental prayer that can be used to create healing and peace when conducting guidance sessions with seekers Based on the teachings of St Alphonsus Liguori the founder of the Redemptorists Fr Dennis Billy's approach examines the moral life in the context of spiritual direction While thoroughly Catholic St Alphonsus was so pastoral focusing on the poor and marginalized that the approach can be easily learned and used by adherents of other religious philosophical and ethical traditions In *Finding Our Way to God* Fr Dennis Billy Teaches active listening which is essential for spiritual directors Emphasizes the continuity between a person's spirituality and morality through growth in the virtues and gifts of the Holy Spirit Provides an understanding of how the model of spiritual direction can be adapted to meet the needs of a wide variety of people Helps the reader use Alphonsian spirituality as a backdrop for conducting spiritual direction *Spiritual Direction and the Care of Souls* David G. Benner, Gary W. Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for

Dogged Out For Love Shirley Wright, 2006-03-29 Love is something everybody needs and doesn't know what it really means without knowing the love of God For in Him only is there real love And we can't even begin to understand or fathom what love really means without Him We look for it in all the wrong places But we will never find it there It's not in mankind it's not in anything in this world the way we perceive it Until we realize that it only comes from God we will only find hurt and pain and misery Believe me I know there are lots of Christians still looking for love in the wrong places It's sad to say And we are being destroyed and don't understand why So we think God has let us down and we blame Him for our depression hurt and pain We wonder why the Lord doesn't help us But what we don't realize is that God is helping us even though we don't know it You see the devil is fooling us He is taking our focus off Jesus and putting it on people and things so we can't be all that God has for us to be The failure is not in God it's in us You may say I gave him or her all the love I had and he or she betrayed me How could they do me like that But what we fail to realize is that God is our first love and we must receive His love and give Him our love first John 10:10 says The thief comes to kill steal and destroy And that is what he has been doing But you don't have to let him get away with it Jesus came that we might have life and more abundantly Otherwise Jesus is life in every area of our lives if we let him We need to ask Him to lead and guide us in all things Proverbs 3:5-6 says trust in the Lord with all thine heart lean not unto thine own understanding in all they ways acknowledge Him and He shall direct thy path So the failure is not in God it's in us for not seeking God's help Believe me I know been there done that I gave all I had to give to the wrong men yes men I say men

because I kept trying to please them so they would love me But it didn't work They betrayed me jumped on me and stepped on me like a floor mat that said Welcome I know how it feels to be dogged out for love or so called love It sucks As we receive God's love then and only then will we know what love is really about It's not a fancy or fairy tale God's love is divine He is not looking at your faults He is looking at your needs Man's love so called love that is cold taking and not wanting to give They lie they cheat they take away our pride and self esteem they pull us down and then they have the nerve to tell us it's our fault that they treat us the way they do The devil is a liar The devil wants us to believe that we have to take all kinds of abuse that is just the way it is But the devil is a liar We don't need that kind of man because you see he's not a real man anyway He's just something wearing a pair of pants Remember we can make it just us and God God will bring us through But we must learn to trust Him I have been through hell and high waters I've been a floor mat a punching bag I've been stressed out I have even tried to take my life a few times when I was younger But I thank God that He said You shall live and not die Satan was trying to take me out to stop me Now I know what it is to be dogged out and kicked to the curb I know how it feels to be turned inside out not knowing if you are coming or going not knowing what to do next For some so called love As far as I am concerned they can keep it I don't need it and neither do you Why take less when we can have the best God did not make woman to be a man's floor mat He made us to be his helpmate But we can't help someone if they don't want to take it

Abba, Give Me a Word L. Roger Owens, 2012-03-01 I challenge you to get through a chapter of this book without a desire for God being struck in your soul Roger Owens wears his brilliance lightly and loves words tenderly and lavishly in these pages He is ferociously gifted and fast becoming one of the abbots to whom the reading church often turns for a word from the Lord Jason Byassee senior pastor of Boone United Methodist Church and Fellow in Theology Leadership at Duke Divinity School With a style and warmth of presentation that will remind readers of Henri Nouwen's most popular work *Abba Give Me a Word* interweaves the author's personal stories of struggle and transformation with reflections on the history and purpose of spiritual direction The result is a wise introduction to an ancient art and practice of soul care directed at Christians of all backgrounds *Theological Context for Pastoral Caregiving* William M Clements, Howard W Stone, 2013-09-05 In *Theological Context for Pastoral Caregiving* Howard W Stone helps his fellow pastors and worship leaders provide effective and faithful pastoral care and counseling through the study of the correlation between pastoral care and theology You will learn that in order for pastoral care to be effective it must have a theological base to shape the caregiving experience At the same time theology must be informed by the needs and experiences of the people being served and by the ministry of pastoral care By relating these two issues you gain a unique viewpoint not offered by books with simply a psychological focus The author draws from his day to day clinical practice of pastoral care and counseling to show how pastoral care and theology can be brought together Through Howard Stone's work the reader learns of an overview of pastoral care and counseling today how to provide a pastoral assessment of the persons served the author's theological

understanding of the ministry of pastoral care and counseling methods for correlating theology and pastoral care how spiritual direction as a discipline can help pastoral care and counseling ministry regain a solid theological base theological themes that might be more explicitly and intentionally related to pastoral care Theological Context for Pastoral Caregiving provides useful information for parish pastors people in training to be parish pastors and specialists in the field of pastoral care counseling As one of the easiest to read books on this subject it can also be used as a text for graduate level classes in courses such as Theology and Pastoral Care Pastoral Theology and Practical Theology With this book seminary students will finally be able to relate the practical things learned in pastoral counseling classes with what is learned in theology classes
