

Great Writing 2: Great Paragraphs

Unit 8: Opinion Paragraphs

INSTRUCTIONS: Read the paragraph and answer the questions. You will not use all the answers.

Plastic Water Bottles: Say No!

In my opinion, single-serve plastic water bottles should be banned. First of all, these plastic bottles create excessive waste. If plastic bottles are not recycled, they end up in landfills where they can take many years to break down. Not only do plastic bottles fill landfills, they also reach our oceans and waterways where they can harm marine life and vegetation. In addition, bottled water is very expensive. By purchasing a reusable water bottle and refilling it with tap water, an individual can save over a thousand dollars a year. Cities would also save money by reducing waste disposal costs. For the important reasons given here, I support a complete ban on all single-serve plastic water bottles.

- a. Some people claim that plastic water bottles are an essential part of emergency supply kits.
- b. to present a strong argument for banning plastic water bottles
- c. that we need to find solutions for environmental waste
- d. Plastic water bottles create excessive waste.
- e. to share the opposing opinion about banning plastic water bottles
- f. that plastic water bottles should be banned
- g. Plastic water bottles harm the environment.

- _____ 1. What is the purpose of this paragraph?
- _____ 2. What opinion does the writer state in the topic sentence of the paragraph?
- _____ 3. What is the first reason the writer gives to support his opinion?
- _____ 4. What is another reason the writer gives?
- _____ 5. What is a possible reason *not* to ban plastic water bottles?

INSTRUCTIONS: Read each statement. Write "F" if it is a fact or "O" if it is an opinion.
