## **Yama The Pit:**

Yama, the Pit Aleksandr Ivanovich Kuprin, 1952      *Yama* Aleksandr Kuprin, 2020-12-21 The Pit is a novel by Alexander Kuprin published in installments between 1909 and 1915 in Zemlya almanacs The book centering on a brothel owned by a woman named Anna Markovna caused much controversy in its time      **Yama** Aleksandr Kuprin, 2020-12-21 T23:13:16Z Yama The Pit recounts the lives of a group of prostitutes living and working in Anna Markovna's brothel in the town of K The women subject to effective slavery through the removal of their papers and onerous debts act out a scene of easy affability every evening for the part ignorant part monstrous clients while keeping secret their own pasts and wished for futures The book was Kuprin's attempt to denormalize the cultural ambiguity of the legal brothels of the time His dedication to mothers and youths expresses his desire that there should no longer be a silent acceptance of the actions of the fathers husbands and brothers The novel was notable for portraying the inhabitants of the brothels as living breathing people with their own hopes and desires not purely as a plot point or scenario The critical response was mixed many found the subject matter beyond the pale Kuprin himself placed his hopes on a favourable review from Leo Tolstoy which didn't come but there was praise for Yama as both social commentary and warning and an appreciation for Kuprin's attempt to detail the everyday lives of his subjects The novel had a troubled genesis with the first part taking nine years between initial proposal and first publication the second and third parts followed five years later It was a victim of the Russian censors who tellingly disapproved more of scenes involving officials visiting the brothels than the brothels themselves It was only later during preparations for an anthology of his work that an uncensored version was allowed to be released This edition is based on the translation to English by Bernard Guilbert Guerney of that uncensored version and was first published in 1922 This book is part of the Standard Ebooks project which produces free public domain ebooks      **Yama [The Pit]** Alexandra Kuprin, 2025-11 Yama The pit explores a degrading district where pleasure houses dominate the landscape and survival depends on coping with exploitation The place was once energetic but has shifted into a world built on transactions and fading dreams Rather than focusing on personal stories the book reveals the emotional strain carried by those trapped inside these walls Each day blends into the next as routine replaces choice and any moment of escape is brief The forced joy and exhaustion show how people reshape themselves to endure circumstances that strip away dignity The contrast between surface luxury and inner misery exposes how society can ignore suffering when it remains hidden Visitors come seeking control or distraction reinforcing the imbalance that sustains the system The environment becomes a symbol of a larger world where human worth is measured by desperation instead of character Yet within the bleakness small gestures of care appear reminding the reader that compassion can exist even where hope is scarce The pit becomes more than a physical space It represents moral neglect and challenges the reader to acknowledge shared responsibility for looking away      **Yama: the Pit Illustrated** Aleksandr Kuprin, 2020-03-11 The Pit Russian romanized Yama is a novel by Alexander Kuprin published in installments between 1909

and 1915 in Zemlya almanacs 1909 Vol 3 1914 Vol 15 1915 Vol 16 The book centering on a brothel owned by a woman named Anna Markovna caused much controversy in its time Alexander Kuprin started collecting the material for his work in Kiev in 1890s and it is in this city that the novel's action takes place Speaking in 1909 to a local newspaper correspondent about prototypes he commented Characters I've made cannot be seen as copying real people I picked up a lot of small details from the real life but that was by no means copying the reality which is something I detest doing He added that his observations were by no means restricted to Kiev The Pit is about Odessa Petersburg and Kiev Kuprin said Yama Aleksandr Kuprin,2013-11-09 With us you see Kuprin makes the reporter Platonov his mouthpiece say in Yama they write about detectives about lawyers about inspectors of the revenue about pedagogues about attorneys about the police about officers about sensual ladies about engineers about baritones and really by God altogether well cleverly with finesse and talent But after all all these people are rubbish and their life is not life but some sort of conjured up spectral unnecessary delirium of world culture But there are two singular realities ancient as humanity itself the prostitute and the moujik And about them we know nothing save some tinsel gingerbread debauched depictions in literature And curiously enough it is another great Russian Kuprin who is supreme if not unique as a painter of the universal scourge of prostitution per se and not as an incidental background for portraits True he may not have entirely escaped the strange allure aforementioned of the femininity he paints for femininity even though fallen corrupt abused is still femininity one of the miracles of life to Kuprin the lover of life But even if he may be said to have used too much of the oil of sentimentality in mixing his colours for the portraits his portraits are subordinate to the background and there his eye is true and keen his hand steady and unflinching his colours and brushwork unimpeachable Yama, the Pit Alexandre Kuprin, Bernard Guilbert Guerney,2001-01-01 Alexander Kuprin's YAMA is an overwhelming truthful and staggering indictment of the immemorial evil of prostitution And since he is the last and greatest of the giants he treats a razor edge theme without prejudice without sounding brass and tinkling cymbal phrases transmuted the monstrous downright crushing terrible material into simple find and deathlessly caustic images No sheepish morality is here but sheer stark truth The titanic Kuprin with incorruptible pitilessness yet with unimpeachable sincerity and unsurpassed humanness and compassion depicts the everyday accustomed trifles these business like daily commercial reckonings this thousand year old science of amatory practice this prosaic usage determined by the ages There remains a dry profession a contrast an agreement a well high honest petty trade no better no worse than say the trade in groceries All the horror is in just this that there is no horror It is not without cause that YAMA has been called the first and last honest work on the subject of prostitution There is no more vivid illustration than YAMA of G H Lewes thesis that sincerity is the basis of success in literature YAMA had sold by 1929 over two and a half million copies in the original and in French German Spanish Italian Swedish Finnish Norwegian Bohemian Hungarian Polish even Japanese and Yiddish to mention by a few of the languages it has been translated into The book had such significance that the foreword

was written by President Arthur Hayes of the United States Aleksandre Ivanovich Kuprin 1870 1938 was a Russian novelist and short story writer Kuprin was an army officer for several years before he resigned to pursue a writing career He won fame with *The Duel* 1905 a novel of protest against the Russian military system In 1909 *The Pit* his novel dealing with prostitution in Odessa created a sensation Kuprin left Russia after the revolution but returned in 1937 Some of his best short stories of action and adventure appear in English in the collections *The River of Life* 1916 and *The Bracelet of Garnets* 1917

**Yama** Aleksandr Kuprin, 2020-04-04 A novel about prostitution in Moscow From the introduction It must not be thought despite its locale that Kuprin's *Yama* is a picture of Russian prostitution solely it is intrinsically universal All that is necessary is to change the kopecks into cents pennies sous or pfennings compute the versts into miles or metres Jennka may be Eugenie or Jeannette and for *Yama* simply read Whitechapel Montmartre or the Barbary Coast That is why *Yama* is a tremendous staggering and truthful book a terrific book It has been called notorious lurid even oleographic So are perhaps the picaresques of Murillo the pictorial satires of Hogarth the bizarreries of Goya *Yama The Pit A Novel in three Parts* Aleksandr Kuprin, 2022-01-29 With us you see Kuprin makes the reporter Platonov his mouthpiece say in *Yama* they write about detectives about lawyers about inspectors of the revenue about pedagogues about attorneys about the police about officers about sensual ladies about engineers about baritones and really by God altogether well cleverly with finesse and talent But after all all these people are rubbish and their life is not life but some sort of conjured up spectral unnecessary delirium of world culture But there are two singular realities ancient as humanity itself the prostitute and the moujik And about them we know nothing save some tinsel gingerbread debauched depictions in literature And curiously enough it is another great Russian Kuprin who is supreme if not unique as a painter of the universal scourge of prostitution per se and not as an incidental background for portraits True he may not have entirely escaped the strange allure aforementioned of the femininity he paints for femininity even though fallen corrupt abased is still femininity one of the miracles of life to Kuprin the lover of life But even if he may be said to have used too much of the oil of sentimentality in mixing his colours for the portraits his portraits are subordinate to the background and there his eye is true and keen his hand steady and unflinching his colours and brushwork unimpeachable Google *Yama* Aleksandr Kuprin *Yama the Pit*, 2020-11-24 This is a pre 1923 historical reproduction that was curated for quality Quality assurance was conducted on each of these books in an attempt to remove books with imperfections introduced by the digitization process Though we have made best efforts the books may have occasional errors that do not impede the reading experience **Yama = the Pit, a Novel in Three Parts** A. (Aleksandr Ivanovich) Kuprin, 2016-02-29 Aleksandr Ivanovich Kuprin was a Russian writer pilot explorer and adventurer who is perhaps best known for his story The Duel Other well known works include Moloch Olesya Junior Captain Rybnikov Emerald and The Garnet Bracelet **Yama (the Pit)** Aleksandr Ivanovich Kuprin, 2021 *Yama: the Pit* Александр Иванович Куприн, 1929 [Yama: the Pit](#) Alexandre Kuprin, 2020-04-29 It must not be thought despite its locale that Kuprin's Yama is a picture of Russian prostitution solely it is intrinsically universal All that is necessary is to change the kopecks into cents pennies sous or pfennings compute the versts into miles or metres Jennka may be Eugenie or Jeannette and for Yama simply read Whitechapel Montmartre or the Barbary Coast That is why Yama is a tremendous staggering and truthful book a terrific book It has been called notorious lurid even oleographic So are perhaps the picaresques of Murillo the pictorial satires of Hogarth the bizarreries of Goya The best introduction to Yama however can be given in Kuprin's own words as uttered by the reporter Platonov They do write he says but it is all either a lie or theatrical effects for children of tender years or else a cunning symbolism comprehensible only to the sages of the future But the life itself no one as yet has touched But the material here is in reality tremendous downright crushing terrible And not at all terrible are the loud phrases about the traffic in women's flesh about the white slaves about prostitution being a corroding fester of large cities and so on and so on an old hurdy gurdy of which all have tired No horrible are the everyday accustomed trifles these business like daily commercial reckonings this thousand year old science of amatory practice this prosaic usage determined by the ages In these unnoticeable nothings are completely dissolved such feelings as resentment humiliation shame There remains a dry profession a contract an agreement a well nigh honest petty trade no better no worse than say the trade in groceries Do you understand gentlemen that all the horror is in just this that there is no horror Bourgeois work days and that is all More awful than all awful words a hundredfold more awful is some such little prosaic stroke or other as will suddenly knock you all in a heap like a blow on the forehead *Yama, The Pit: A Novel in Three Parts* Aleksandr Ivanovich Kuprin, 2020-09-28 With us you see Kuprin makes the reporter Platonov his mouthpiece say in Yama they write about detectives about lawyers about inspectors of the revenue about pedagogues about attorneys about the police about officers about sensual ladies about engineers about baritones and really by God altogether well cleverly with finesse and talent But after all all these people are rubbish and their life is not life but some sort of conjured up spectral unnecessary delirium of world culture But there are two singular realities ancient as humanity itself the prostitute and the moujik And about them we know nothing save some tinsel gingerbread debauched depictions in literature Tinsel gingerbread debauched depictions Let us consider some of the ways in which this monstrous reality has been approached by various writers There is first the purely sentimental Prevost's Manon Lescaut Then there is the slobberingly sentimental Dumas' Dame aux Camelias A third is the necrophilically romantic Louys Aphrodite The fertile Balzac has given us no less than two the purely romantic in his fascinating portraits of the Fair Imperia and the romantically realistic in his Splendeurs et Miseres des Courtisanes Reade's Peg Woffington may be called

the literary parallel of the costume drama Defoe's Moll Flanders is honestly realistic Zola's Nana is rabidly so There is one singular fact that must be noted in connection with the vast majority of such depictions Punk or bona roba lorette or drab put her before an artist in letters and lo and behold ye such is the strange allure emanating from the hussy that the resultant portrait is either that of a martyred Magdalene or at the very least has all the enigmatic piquancy of a Monna Lisa Not a slut but what is a hetaera and not a hetaera but what is well nigh Kypris herself I know of but one depiction in all literature that possesses the splendour of implacable veracity as well as undiminished artistry where the portrait is that of a prostitute despite all her tirings and trappings a depiction truly deserving to be designated a portrait the portrait supreme of the harlot eternal Shakespeare's Cleopatra Furthermore it will be observed that such depictions for the most part are primarily portraits of prostitutes and not pictures of prostitution It is also a singular fact that war another scourge has met with similar treatment We have the pretty spotless grenadiers and cuirassiers of Meissonier in plenty Vereshchagin is still alone in the grim starkness of his wind swept snow covered battle fields with black crows wheeling over the crumpled masses of gray And curiously enough it is another great Russian Kuprin who is supreme if not unique as a painter of the universal scourge of prostitution per se and not as an incidental background for portraits True he may not have entirely escaped the strange allure aforementioned of the femininity he paints for femininity even though fallen corrupt abased is still femininity one of the miracles of life to Kuprin the lover of life But even if he may be said to have used too much of the oil of sentimentality in mixing his colours for the portraits his portraits are subordinate to the background and there his eye is true and keen his hand steady and unflinching his colours and brushwork unimpeachable Whether like his own Platonov who may be called to some extent an autobiographical figure and many of whose experiences are Kuprin's own came upon the brothel and gathered his material unconsciously without any ulterior thoughts of writing we do not know nor need we rummage in his dirty linen as he puts it

*Yama [The Pit] (Esprios Classics) Alexandra Kuprin, 2021-02-14* The Pit is a novel by Alexander Kuprin published in installments between 1909 and 1915 in Zemlya almanacs 1909 Vol 3 1914 Vol 15 1915 Vol 16 The book centering on a brothel owned by a woman named Anna Markovna caused much controversy in its time Alexander Kuprin started collecting the material for his work in Kiev in 1890s and it is in this city that the novel's action takes place Speaking in 1909 to a local newspaper correspondent about prototypes he commented Characters I've made cannot be seen as copying real people I picked up a lot of small details from the real life but that was by no means copying the reality which is something I detest doing

**Yama - the Pit - Alexandra Kuprin** Alexandra Kuprin, 2009-12-30 A passage from the book With us you see Kuprin makes the reporter Platonov his mouthpiece say in Yama they write about detectives about lawyers about inspectors of the revenue about pedagogues about attorneys about the police about officers about sensual ladies about engineers about baritones and really by God altogether well cleverly with finesse and talent But after all all these people are rubbish and their life is not life but some sort of conjured up spectral unnecessary delirium of world culture But there are

two singular realities ancient as humanity itself the prostitute and the moujik And about them we know nothing save some tinsel gingerbread debauched depictions in literature Tinsel gingerbread debauched depictions Let us consider some of the ways in which this monstrous reality has been approached by various writers There is first the purely sentimental Prevost's *Manon Lescaut* Then there is the slobberingly sentimental Dumas' *Dame aux Camélias* *Yama = the Pit, a Novel in Three Parts* Kuprin A. I. (Aleksandr Ivanovich), 2016-06-21 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy
