The Doctrine Of Scripture:

The Doctrine of Scripture Mark D. Thompson, 2022-03-22 A Clear and Concise Exploration of the Christian Doctrine of Scripture The Bible is the written word of the living God He speaks through this word working in and through human agents as he reveals himself to his people His word is trustworthy yet many Christians struggle to articulate why they believe that to be true Centered in the words of Scripture and especially the teaching of Jesus himself this volume unpacks the doctrine of Scripture as taught by the church through the ages helping to strengthen readers confidence in God s word Despite the challenges that are often leveled against the Bible Thompson clearly articulates what Jesus taught about the Scriptures how God speaks to his people through the written word the crucial work of the Holy Spirit to apply the word and the vital attributes of Scripture its clarity truthfulness sufficiency and efficacy Readers will find encouragement to walk according to the word and to delight in the God who speaks Concise and Accessible Intended for use by church members and leaders as well as those in academic contexts Christ Centered Rooted in Jesus s own words about the Old Testament and his commissioning of the apostles who would go on to write the New Testament Addresses Common Questions Answers challenges about the Bible s clarity truthfulness sufficiency and efficacy The Doctrine of Scripture Brad East, 2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church s liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church s sacred tradition in service to the gospel and redounding to the glory of the triune God **The Doctrine of Scripture** Mark Thompson, 2022 Centered on the words of Scripture and especially the teaching of Jesus himself this volume unpacks the doctrine of Scripture as taught by the church through the ages helping to strengthen readers confidence in God s word **All the Doctrines of the Bible** Herbert Lockyer, 1964 His systemized study and analysis of the major Bible doctrines provides for readers Dr Lockyer s approach to understanding doctrines in logical sequence This method of biblical presentation can and should lead to a valuable comprehension of the Christian faith **The Doctrine of Sacred Scripture** George Trumbull Ladd, 1883 Light in a Dark Place John S. The Great Doctrines of the Bible William Evans,2020-04-09 The doctrines treated in this book are dealt with from the standpoint of Biblical rather than Dogmatic theology This is evident from the plan which is followed in the work namely to gather together all the Scripture passages dealing with the subject under consideration and from them choose a required number that may be called representative then seek to understand the meaning of these references by the study of the text itself as well as its context and parallel passages and finally from the selected proof texts formulate the doctrinal teaching and place such results under appropriate headings The doctrines of God Jesus Christ and the Holy Spirit are more fully dealt with than the doctrines which follow This is especially true of the doctrine of God The reason for this is to set forth the method pursued in these studies and to give a pattern for the study of the doctrines to follow William Evans The Great Doctrines of the Bible
