The Drowning:

Out of the Drowning Deep A. C. Wise, 2024-09-03 In the distant future when mortals mingle with the gods in deep space an out of date automaton a recovering addict and an angel race to solve the Pope s murder in an abandoned corner of the galaxy Dreamy beautifully written queer science fantasy novella for fans of Becky Chambers and This is How You Lose the Time War Scribe IV is an obsolete automaton living on the Bastion a secluded monastery in an abandoned corner of the galaxy When the visiting Pope is found murdered Scribe IV knows he has very little time before the terrifying Sisters of the Drowned Deep rise up to punish all the Bastion s residents for their supposed crime Quin a recovering drug addict turned private investigator agrees to take the case Traumatized by a bizarre experience in his childhood Quin repeatedly feeds his memories to his lover the angel Murmuration But fragmented glimpses of an otherworldly horror he calls the crawling dark continue to haunt his dreams Meanwhile in heaven an angel named Angel hears Scribe IV s prayer Intrigued by the idea of solving a crime with mortals xe descends to offer xyr divine assistance With the Drowned Sisters closing in Scribe IV Quin and Angel race to find out who really murdered the Pope and why Quin s missing memories may hold the key to the case but is remembering worth what it will cost him

[Son of the Drowned Empire](#) Frankie Diane Mallis, 2023-08-29 A Treacherous Oath Lord Rhyan Hart Heir Apparent to the Arkasva High Lord of Glemaria Emperor to the North has carried the weight of his title his entire life But never has he felt it more than now After sacrificing everything to protect the girl he loves a shocking revelation endangers her again The consequences stretch across the Empire and increase his father s power over him Rhyan struggles to fight back and protect his loved ones but rising threats force new oaths to be sworn oaths that could ruin everything A Deadly Tournament As the anniversary of the Emperor s rule approaches he resurrects one of Glemaria s deadliest soturion traditions the Alissedari Soturi must enter the arena on gryphon back in a fight to the death Rhyan knows he has no choice but to win no matter the cost to his heart or soul A Forbidden Love When evil invades Glemaria the lines between friend and foe are blurred Rhyan has always lived by his oaths But the only way he can fulfill one oath is to forswear another and the only way to save a life is to take someone else s How can Rhyan tear the final rope apart to protect the girl he loves when he s not even sure what it means to be a soturion anymore and every step he takes towards his love puts her in more danger

[Solstice of the Drowned Empire](#) Frankie Diane Mallis, 2022-09-13 Lord Rhyan Hart Heir Apparent to the Arkasva High Lord of Glemaria Emperor to the North hates everything about his title Its length its pretentiousness and the fact that it connects him directly to his father the sadistic violent man he hates more than anyone in Lumeria The last thing Rhyan wants to do is spend the summer before his Revelation Ceremony traveling across the Empire with him for a state visit Rhyan s resigned to his season of misery until he reaches Bamaria and sees Lady Lyriana Batavia Rhyan s sure she doesn t remember their meeting a decade ago but an act of kindness from her stayed with him through the years Though he longs to know the woman she s become he must keep his distance to protect her from his father s sinister political maneuvers But

when the undeniable attraction between them garners the attention of two dangerous Imperators competing for power Rhyan must play the villain to keep him and Lyriana from becoming pawns Jules Lyriana s cousin and best friend is the only one to see through his facade becoming his unlikely ally as they navigate instability in the Bamarian Court Though Lyriana is suspicious of his true motives Rhyan s plan has nearly succeeded until the night of the solstice when hidden enemies emerge posing an even greater threat To save the girl he loves Rhyan must play the hero but to do so involves risking not only his heart but exposing his most dangerous secret

The Drowning, the Dancing Jerome Nilssen,1968 **Warrior of the Drowned Empire** Frankie Diane Mallis,2025-02-20 Now that Lyr knows the reincarnations of the Guardians have been reborn she must dive deeper into her past as the Goddess Asherah and Rhyan s as Auriel if they re going to survive With Moriel s reincarnation on the verge of restoring his God power it s crucial Lyr fulfills her oath to the immortal Mercurial She must claim the red shard and the otherworldly power it will grant her because Lyr may be the only one strong enough to defeat a God But traveling across the Empire is no simple task With the consecration of Arianna as Arkasva of Bamaria and her new political alliances in place Lyr and Rhyan find themselves vulnerable when Rhyan s political immunity as a forsworn is stripped He s now wanted in both the north and the south for questioning Not to mention Imperator Kormac has personally tasked Lord Tristan with hunting Rhyan down and arresting him But ever since Lyr learned the Empire s darkest secret that the Emperor has been enslaving vorakh siphoning their forbidden magic to the elite she has only one goal in mind get Jules out But breaking into the Emperor s palace will be nearly impossible especially after he announces a grand tournament to distract from the civil unrest across the land The tournament will bring thousands to the capital including both Imperators Freeing her cousin will require more power than even Lyr and Rhyan combined possess especially as more of their secrets come to light threatening everything they ve worked for The only way to move forward may be to make a far more sinister deal with the person who has the most to gain the person Rhyan trusts the least As they navigate their mission in the present while uncovering memories of the past ancient enemies resurface More Guardians identities are revealed and they are ready to finish a war that started a millennia ago To protect the ones she loves Lyr has no choice but to harness more magic and power than she ever has before But if she can t claim and control the fire inside of her she risks unleashing total destruction across the Empire costing her everything her freedom her heart and even her soul
