The Eagles Shadow:

The Eagles's Shadow James Branch Cabell,1904 **The Eagle's Shadow** James Branch Cabell,2020-12-01 The Eagle s Shadow 1904 is the debut novel of James Branch Cabell a master of fantasy fiction and an underrated figure of twentieth century American literature The novel is significant for being among few of Cabell s works to take place both around the time of its publication and to be set in the contemporary world Like many of his works however it paints an intricate portrait of romance and power immersing its reader into a fiction more real than they d care to admit Most of the novel s action occurs at Selwoode a recently built mansion located in the English countryside Following the death of her uncle Frederick Margaret Hugonin finds herself his unlikely heiress and is thrust into a life she could not have prepared for even if she had managed to imagine it in the first place As she faces down suitor after suitor while enduring a routine of lessons on philanthropy culture and charity she navigates the complexities of her love for Billy Woods her cousin through marriage and the nephew of Selwoode s deceased scion Frederick Throughout the story the eagle both Frederick s chosen heraldic animal and a symbol of power looms over their relationship The ill gotten nature of the family fortune acquired through the exploitation enabled by imperialism and solidified in the shadows of Wall Street threatens to destroy not only their love but their entire world The Eagle s Shadow a novel at times tragic and comedic is a brilliant and bold social critique masquerading as romance and a literary work for all time Cabell s work has long been described as escapist his novels and stories derided as fantastic and obsessive recreations of a world lost long ago To read The Eagle s Shadow however is to understand that the issues therein the struggle for power the unspoken distance between men and women were vastly important not only at the time of its publication but in our own divisive world With a beautifully designed cover and professionally typeset manuscript this edition of James Branch Cabell s The Eagle s Shadow is a classic of comedy and romance reimaged for modern readers The Bibliographer George Henry Sargent,1921 **The Magic of the Trees** Matthew R Brackley,2014-03-10 My compilation from my books of some of the most beautiful poems about trees A truly spiritual work on our connection to nature For those who see messages in the bark and enjoy the beauty of trees in all it s seasons A drop of magic too Created in to A4 size for ease of reading and sharing *The Mystery & Marvels of Nature in Rhythm & Rhyme* Melody Hamby Goss,2019-07-11 This book takes the croak of frogs the quack of ducks the twinkle of stars the bloom of flowers the snowcapped mountains the fragrant valleys and the whispering winds and puts them to rhyme Artwork created in the sloping mountains of Norway combined with these rhyming words tells tales of what once was to what is This kiss of Mother Nature is a journey into a world of fantasy a rapture of lonely shores by the seas as they sing their music of eternity As Lord Byron once said I love not man the less but nature more Come take this journey with me into the mystic From The Pages of a Bleeding Heart LAKHEM RA-SEBEK,2014-02-22 Poetry as an art has always been respected by the greatest of minds We offer you this treatise on poetry as a gift to aspiring poet s as well as those who are already respected in the poetic world May these words
