How Can We Be Kind? Janet Halfmann, 2022-07-05 This special book asks children a simple question How Can We Be Kind The answer is by learning from the animal kingdom Animals demonstrate kindness and empathy towards each other and care and compassion can be seen all throughout the natural world This book shows children the ways they can be kind just like animals are to each other while at the same time teaching them about the magic and the beauty of the natural world They can learn to be welcoming like capybaras who let other animals sit on top of them while they wallow in mud Or perhaps they might want to be like dolphins who guide other species to their destinations Or maybe they would like to work together like ants and bees share what they have like jackdaws or stick up for their friends like zebras With beautiful illustrations from Darla Okada this beautiful picture book will enchant and entertain children time and time again There are facts at the back about how each animal lives with and looks after its fellow creatures This sweet and thoughtful book is both a celebration of the animal world and a manifesto for being kind in everyday life
