## Wrong Miss Richmond:

**The Wrong Miss Richmond** Sandra Wilson, 2011 Jane Richmond's fortune wins an arranged match with Robert Lord St Clement. Things soon go wrong as Jane is lured into folly by the dashing American balloonist William Grenfell and her half sister Christina has growing feelings for St Clement. *The Wrong Miss Richmond* Sandra Heath, 2016-11-05 Christina Richmond and her sister Jane were opposites. Christina loved books and shunned society while Jane revelled in being a star. Mr Richmond had arranged a marriage between Jane and Lord St Clement and they were to meet at a ball in Bath. But it was Christina who saw him first and lost her heart to him. Jane seemed determined to admire a balloonist. Regency Romance by Sandra Heath originally published by Signet. **Courtesy of Cupid** Nashae Jones, 2025-01-07 When thirteen year old Erin discovers she is the daughter of the love god Cupid she uses her newfound ability to sabotage her rival Trevor by making him fall in love with her but she soon realizes love has a funny way of complicating things. **Ruler of the Night** David Morrell, 2016-11-15 The notorious Opium Eater returns in the sensational climax to David Morrell's acclaimed Victorian mystery trilogy. 1855 The railway has irrevocably altered English society effectively changing geography and fueling the industrial revolution by shortening distances between cities. A whole day's journey can now be covered in a matter of hours. People marvel at their new freedom. But train travel brings new dangers as well with England's first death by train recorded on the very first day of railway operations in 1830. Twenty five years later England's first train murder occurs paralyzing London with the unthinkable when a gentleman is stabbed to death in a safely locked first class passenger compartment. In the next compartment the brilliant opium eater Thomas De Quincey and his quick witted daughter Emily discover the homicide in a most gruesome manner. Key witnesses and also resourceful sleuths they join forces with their allies in Scotland Yard. Detective Ryan and his partner in training Becker to pursue the killer back into the fogbound streets of London where other baffling murders occur. Ultimately De Quincey must confront two ruthless adversaries this terrifying enemy and his own opium addiction which endangers his life and his tormented soul. **Ruler of the Night** is a riveting blend of fact and fiction which like master storyteller David Morrell's previous De Quincey novels evokes Victorian London with such finesse that you'll hear the hooves clattering on cobblestones the racket of dustmen and the shrill calls of vendors.
