Wu Tang Master:

The Missing Years of Jesus Christ James Partch,2010-07-26 The most emotional story ever told in the history of the world today A master s sacrifice to give to all people of universal truth and understanding freely despite the amount of authority of his own religion and local government to shut him down and finally kill him Even in death freedom reigns for a master who achieves ascension even though the doubting Thomas still abounds in numbers Ascending beyond death is the sacrifice all true masters give to all people and all races as well as unto themselves The tree of life of Genesis and Jacobs ladder are all truths known and taught not only by Jesus Yehoshua but for you and me and our freedom of body soul and mind personally YOU MUST ONLY BELIEVE
