**Seeds of Malice** Christopher Lapidés,2014-12-04 I will destroy you Druzeel realizes that his actions have opened  
another path one of evil and deceit but the path of righteousness still lies before him Choosing which one to follow is the  
difficult part but one thing is certain nothing will ever be the same A tiny seed of virtue still lies inside of him but as he  
travels through a city full of sin hatred and evil it gets harder to feel that goodness He knows it will take only the slightest  
push to fall into a hole of darkness so he clings tightly to that shining light But the pull of the gloom is strong and when a  
new figure enters his life and offers him power it may be impossible to resist With power comes fear and with that fear comes  
respect All he wanted was the respect of his peers and the trust of those he admired Is this new power enough to give him  
both Can it make him into the man he always wanted to be Or will it turn him into a monster The power is enchanting but it  
comes with a heavy price If he chooses to ignore those consequences then there may be no pulling him from a dark descent
