Yudin,2023-03-06 When conjuring an image of settlers in the Holy Land one hardly envisions vast numbers of European and North American Evangelical Protestants Yet this is precisely the picture set forth in this book The region has witnessed settlement conquest destruction and resettlement from time immemorial But the story of Protestants settling in the Land and staking their own claim while missionizing among the population has yet to be told in its fullness *The Protestant Settlers of Israel* tells that tale including a discussion of the present day whereabouts of some 100 000 Protestant individuals living in the State of Israel with a steady rate of expansion and growth in some circles *By the Stroke of My Hand* Thomas Clelland,2022-03-31 Within these pages of this little book you find a small collection of Thomas favorite poems Thomas had a stroke in 0202 resulting in numbness down the whole of the left side of his body and often falls as not able feel the ground beneath his feet He is still not fully steady on his feet but still ventures out into the community Thomas s secret to staying hopeful is to never give in when your chips are down After the stroke he became more interested in painting pictures of his local area bringing his poetry alive Thomas s poetry takes the reader on a journey where there is only fun laughter and reflective moments of stillness and pause sprinkled with a little star dust Pure magic **A Commentary on the Whole Epistle to the Hebrews** William Gouge,1867 **True Worship** Donald P.
