Stranger In My Bed

Marvin H. Berenson

Stranger In My Bed:

A Stranger in My Bed Debbie Sprague, 2013-06-27 A Stranger in My Bed takes you inside Debbie Sprague's life for an intimate view of a love story disrupted by the invasion of PTSD thirty years after the Vietnam War. The cycle moves from love to fear, anger, and despair. Stories unfold of her husband's battle with PTSD, displaying typical behaviors, triggers, and moods. Those familiar with this world will be comforted. That sounds just like my life, and I thought I was the only one. Others will find a new awareness. I had no idea it was like that. You will watch a family and marriage almost be destroyed by the contagious effects of PTSD. Yes, PTSD is contagious; the family can take on the symptoms even to the point of full-blown PTSD. Debbie was one of those people. As Debbie began to discover resources and find solutions for her problems, she realized sharing those solutions was her life purpose, what she had been preparing for her entire life. Debbie's gift to you is **A Stranger in My Bed: 8 Steps to Taking Your Life Back From The Contagious Effects Of Your Veteran's Post Traumatic Stress Disorder** **A**

Stranger in My Bed Kevin Luttery, 1997 Kevin Luttery's *A Stranger In My Bed* is a narrative nonfiction book that examines the social and psychological elements which influenced Mr. Luttery's perception of and subsequent detachment from an interracial relationship in which he was involved. When this personal experience forced the author to take a closer look at the woman he thought was destined to become his wife, Mr. Luttery came to the disturbing realization that not only was his White girlfriend a stranger to him, but that in an almost sacrificial manner, he had become a stranger to himself. *The Stranger in My Bed* Marvin H. Berenson, 2002 How often have we struggled unsuccessfully to find a way to change an unsatisfying and unfulfilled life? In this fascinating new book, we are drawn into a world of adventure and mystery as eight people reveal new avenues of self-discovery. All of us are repositories of past experiences and forgotten memories that help to mold our personalities and influence our behavior. Uncovering such hidden parts of ourselves often discloses how we remain shackled by forces beyond our awareness. Dr. Berenson's absorbing and stimulating book shows new ways to awaken our conscious minds to the unknown forces within us. These remarkable case histories offer an inside look at the destructive influence of deeply hidden conflicts that often remain buried for a lifetime. Facing enormous obstacles, these eight courageous people took the path of guided imagery to find the underlying causes of what had appeared to be insurmountable problems. **Graphos**

Lawrence Goree, 2026-02-23 The written works contained herein are based on my observations of daily life, current events, biographical yearnings, spiritual growth, wry fallacy, and insomnia. *Enemy in My Bed* Dorothy Dore Dowlen, 2008 The wedding night in Manila was full of promise, and Dorothy Dore was prepared to give herself completely to the charming American soldier in the blue uniform. Surely he stood for duty, honor, and country, just as her father had. However, Sergeant K had a dark secret which came to the light in a brutal honeymoon attack on her. He promised it would never happen again. *Enemy in My Bed: Triumphs of a Military War Bride* is a tribute to foreign war brides like Dorothy who have suffered in silence for the sake of loyalty to their vows and fear of being deported. The author believes that women continue to bear the

burdens of abuse caused by addictions and mental disorders because no one is willing to speak up and offer a way out She knows because she lived it she escaped it and survived to tell it all Dorothy Dore Dowlen immigrated to the United States in 1951 and now resides in San Jose CA She is a much sought after speaker for civic and veterans group functions Dowlen s first book *Enduring What Cannot Be Endured* published by McFarland Co Inc in 2001 is the moving memoir of her WWII years as a teenager on the run from the Japanese and as a medical aide in the jungles of Mindanao Philippines
