Stranger In My Heart:

MagicNine Baisakhi Saha, 2014-09-09 when all roads come to an end the magical road begins This tale follows a young Indian girl who believes in the idea of a soul mate Guided by certain dreams she takes on the voyage of her heart magically navigating Asia Europe Africa South North Central America Through synchronous events Boi meets a mysterious man she believes is her soul mate But then the love she s just found is lost because of her own fears She must battle the dark nights of her soul or remain discontent the rest of her life Thus begins the inner journey Her heart nudges and like a fallen leaf she flies in the direction of her dreams blindly with only signs wrapped in the sheets of desire guiding her The day Boi decides to listen to her heart it compels her to bare her soul naked to this man for he is her magicNine Over the next three years she writes to him the story of her heart sometimes trying to impress him with her knowledge of the universe at other times desperate to revive her lost love yet never giving up until the writing takes on a life of its own and the saga of her life unfolds in the pages of this book through myriad musings mailed to him over millions of moments of madness melody and magic Words flow to her from all corners of the universe pushing her story in a collage of expressions a piece from here a text from there a poem from nowhere all of which fit the jigsaw of her life story one she is reluctant to write In search of her soul mate she met with her own soul

The Odyssey of Homer Homer, 1991 I have hunted wild boars and watched wild lions wrote T E Lawrence the famed Lawrence of Arabia Built boats and killed many men So I have odd knowledges that qualify me to understand The Odyssey and odd experiences that interpret it to me In this prose edition of Homer s epic work available for the first time in decades one of the century s best known men of action draws upon his innate sense of language and true gifts of translation to transform the Odyssey into mellifluous prose Indeed Lawrence was an author who won the admiration of such writers as Ezra Pound W H Auden and Robert Graves For a generation of readers familiar only with often strained verse translations of Homer Lawrence s edition will provide as The New York Times wrote a vividness to the story beyond any other text familiar to us
