## Strangers To England:

Strangers to England Colin Nicolson, 1974      **England's Other Countrymen** Onyeka Nubia, 2019-06-15 The Tudor period remains a source of timeless fascination with endless novels TV programmes and films depicting the period in myriad ways And yet our image of the Tudor era remains overwhelmingly white This ground breaking and provocative new book seeks to redress the balance revealing not only how black presence in Tudor England was far greater than has previously been recognised but that Tudor conceptions of race were far more complex than we have been led to believe Onyeka Nubia's original research shows that Tudors from many walks of life regularly interacted with people of African descent both at home and abroad revealing a genuine pragmatism towards race and acceptance of difference Nubia also rejects the influence of the Curse of Ham myth on Tudor thinking persuasively arguing that many of the ideas associated with modern racism are in fact relatively recent developments England's Other Countrymen is a bravura and eloquent forgotten history of diversity and cultural exchange and casts a new light on our own attitudes towards race      *Calendar of the Manuscripts of the Most Honourable the Marquess of Salisbury ...* Great Britain. one can write a book and most every one does The mistake is in regarding the book as a literary venture What you should do is to make a pad of paper and a lead pencil your father confessor and ease your mind of its worries When the book is done you can send it out into the wilderness as the Israelites sent the scapegoat bearing your sins with it Then you can make a fresh start Bibliotheca Historica Henry Stevens (Jr.),Henry Stevens (Sr.),1870
