ll give it all up Just don t let them stand on me It s not a promise she will easily keep At 29 Tammie has spent nearly half her life in Africa her first love working as a conservationist But as her 30s approach Tammie is conscious of not having ticked those boxes no house no kids and no husband Broke and with her visa running out it seems like Africa may just force her to give it up after all On returning to Australia Tammie lands a job at the Worldwide Fund for Nature WWF in Sydney There she meets Andy a charismatic Brit and Africa suddenly has a rival But she s not ready to give up on the elephants yet From the magic of Bushmanland to the banks of Chobe River in Botswana to the civil strife of Assam India Elephant Dance takes us to the heart of a conservationist s fight to find a way for elephants to live peacefully in a world with too many people too few resources and the increasing threat of climate change Passionate funny and moving Elephant Dance is also a classic story of self discovery love and the courage it takes to follow your calling especially when it takes you places you least expected
