Money for Teens Tim Wuebker, 2019-07-19. This book grew out of teaching a personal finance class. Every week I asked teens what they wanted to learn. After they told me, I worked as hard as I could to acquire the best advice available. I interviewed everyone from self-made millionaires to happy couples. I scheduled over 60 guest speakers on every money and relationship topic imaginable. I read, researched, and experimented. And then I asked the teens again, and again. With over 100 bite-size chapters and exercises, *Money for Teens* discusses everything we could think of including budgeting, investing, starting a business, this week negotiating college without debt, getting hired, how your relationships and the rest of your life ties into your money, and much more. Credit Cards. Debt vs. early investing. The best way to shop. Exercises for budget crises. Jobs vs. Careers vs. Personal Missions. Who makes more givers or takers. If you get rich and have kids, how to not raise a brat. How millionaires raise responsible, not entitled kids. Why do happy people make more money than unhappy people? How to make the emotional side of money and happiness work for you. Ways to avoid impulse spending without having to rely on self-discipline. Time management for scholarships, side hustles, and other big projects. Time management: three excellent methods.
