The Virgin Calling:

Dancing with the Virgin Deidre Sklar, 2001-03-16 This book at once personal and analytical explores in vibrant detail and compelling depth the capacity of movement to express the way that human beings experience their lives and identities In recounting her exploration of a town in the American Southwest Deidre Sklar examines themes common to cultures around the world Benjamin S Orlove editor of *The Allure of the Foreign* *The virgin Mother according to theology. Transl* Jean Baptiste Petitalot, 1889 **Barth's Interpretation of the Virgin Birth** Dustin Resch, 2016-04-08 The doctrine of the virgin birth is intricately woven within the texture of the liturgy theology and piety of all branches of the Christian Church In spite of its enduring influence the doctrine has been dogged by criticism particularly in the modern era By the 20th century the teaching of the virgin birth was rejected by the majority of Protestant theologians in Europe Rejecting the conclusion of many of his contemporaries including that of his own father the Swiss theologian Karl Barth 1886 1968 argued vehemently that understood aright the doctrine of the virgin birth plays a crucial role in Christian thought Barth s legacy in this regard is widely regarded as providing the most influential rehabilitation of the doctrine among Protestants This book offers a comprehensive account and analysis of Barth s interpretation of the doctrine of the virgin birth Setting the doctrine in the context of the western Christian tradition Resch examines it in relation to Barth s discussions in the Church Dogmatics of Christology pneumatology and the interpretation of Scripture The importance of this study lies in the way that it reveals Barth s continuity and discontinuity with both the classical Augustinian tradition of interpreting the virgin birth and the criticisms of the modern era but especially in the way in which attention to Barth s doctrine of the virgin birth reveals his assumptions about the nature of history humanity and the identity of Jesus Christ As a fitting sign of the mystery of the incarnation Barth argued that the virgin birth expressed the dialectic of God s No to sin and Yes to humanity in his free act of revelation and reconciliation As such the doctrine of the virgin birth functioned for Barth as a paradigm through which to understand the fashion of God s work upon human beings and the suitable posture of the human being before God *The Virgin of Flames* Chris Abani, 2007-01-30 From the author of the award winning *GraceLand* comes a searing dazzlingly written novel of a tarnished City of Angels Praised as singular *The Philadelphia Inquirer* and extraordinary *The New York Times Book Review* *GraceLand* stunned critics and instantly established Chris Abani as an exciting new voice in fiction In his second novel set against the uncompromising landscape of East L A Abani follows a struggling artist named Black whose life and friendships reveal a world far removed from the mainstream Through Black s journey of self discovery Abani raises essential questions about poverty religion and ethnicity in America today *The Virgin of Flames* a marvelous and gritty novel filled with indelible images and unforgettable characters confirms Chris Abani as an immensely talented writer *The Virgin Birth of Christ* J Gresham Machen, 2022-07-28 In what remains a widely discussed issue in contemporary theology J Gresham Machen s *The Virgin Birth of Christ* acts as both an introduction to the subject and a window into American

Princeton theology in the early twentieth century Machen undertakes an encyclopaedic study of the different perspectives on the virgin birth He begins with a close reading of the scriptural accounts comparing and contrasting the stories of Jesus birth told in Luke and Matthew Secular historical accounts are then considered as well as possible alternative theories including the likelihood of the story being of early Jewish or Pagan origin Machen s study was the definitive work on the virgin birth for the majority of the twentieth century and remains an invaluable resource both as an apologetic work and as a time capsule of theological progress
