A World Without Jews Alon Confino, 2014-04-15 A groundbreaking reexamination of the Holocaust and how Germans understood their genocidal project Insightful and chilling Kirkus Reviews Why exactly did the Nazis burn the Hebrew Bible everywhere in Germany on November 9 1938 The perplexing event has not been adequately accounted for by historians in their large scale assessments of how and why the Holocaust occurred In this gripping new analysis Alon Confino draws on an array of archives across three continents to propose a penetrating new assessment of one of the central moral problems of the twentieth century To a surprising extent Confino demonstrates the mass murder of Jews during the war years was powerfully anticipated in the culture of the prewar years The author shifts his focus away from the debates over what the Germans did or did not know about the Holocaust and explores instead how Germans came to conceive of the idea of a Germany without Jews He traces the stories the Nazis told themselves where they came from and where they were heading and how those stories led to the conclusion that Jews must be eradicated in order for the new Nazi civilization to arise The

creation of this new empire required that Jews and Judaism be erased from Christian history and this was the inspiration and justification for Kristallnacht As Germans entertained the idea of a future world without Jews the unimaginable became imaginable and the unthinkable became real At once so disturbing and so hypnotic to read Deserves the widest possible audience Open Letters Monthly

Communication in the Jewish Diaspora Menahem Blondheim, Hananel Rosenberg, 2020-09-16 The Jewish diasporic experience stands out in its remarkable scope duration and cohesiveness Communication is the dynamic mechanism that negotiates the interplay of these factors hence this volume on Jewish Diasporic Communications The Jewish Diaspora is unique in another way too through most of their exilic experience Jews did not have a geographical center to which they could orient themselves The perspective guiding this volume is that the center of the Jewish Diaspora has been the communicative network linking its scattered communities in space and the media serving its continuity through historical time This Diasporic network has sustained a common flow of shared content between Jews and Jewish communities let alone the imagination of connectedness Thus Diaspora Jews as Jews and the People they comprise existed to invoke John Dewey in communication The studies in this volume spanning antiquity and modernity and crossing disciplinary boundaries provide together a broad ranging and in depth account of how a People can survive for millennia without a homeland but in communication

Mercy for All Robert D. Anderson, 2023-12-20 This is a study in the interpretation of Paul with a focus on an interpretation of Romans 9 to 11 as a defense of God's faithfulness to Israel The study begins with reviews of three historical approaches to studying Paul's relationship to the Judaism of his era the third anchoring Paul with the Judaism of his time Second Temple Judaism It then

moves to an interpretation of his writings from a broad framework within that Jewish sociocultural paradigm The study suggests that Paul s letter to the Romans provides a defense of Judaism and Romans 9 to 11 provides an argument for God s faithfulness to Israel Romans 11 particularly 11 25 32 presents a picture of Israel s redemption and how gentiles relate to Israel s redemption through the mercy they have received via Israel Gentiles are seen as instrumental in the redemption of Israel Romans 11 25 32 should be read as a missional paradigm to Israel
