Understanding Sexuality Lester Allen Kirkendall, Mary Heltsley, 1947 **Latina/o**

Sexualities Marysol Asencio, 2010 Latina/os are currently the largest minority population in the United States. They are also one of the fastest growing. Yet we have very limited research and understanding of their sexualities. Instead stereotypical images flourish even though scholars have challenged the validity and narrowness of these images and the lack of attention to the larger social context. Gathering the latest empirical work in the social and behavioral sciences, this reader offers us a critical lens through which to understand these images and the social context framing Latina/os and their sexualities. Situated at the juncture of Latina/o studies and sexualities studies, *Latina/o Sexualities* provides a single resource that addresses the current state of knowledge from a multidisciplinary perspective. Contributors synthesize and critique the literature and carve a separate space where issues of Latina/o sexualities can be explored given the limitations of prevalent research models. This work compels the current wave in sexuality studies to be more inclusive of ethnic minorities and sets an agenda that policy makers and researchers will find invaluable.

[The Continuum Complete International Encyclopedia of Sexuality](#) Robert T. Francoeur, Raymond J. Noonan, 2004-01-01 A completely updated one volume edition of the 4 volume *International Encyclopedia of Sexuality*. Includes nearly 60 countries and places 12 not previously covered by more than 200 authorities. It is the only reference work of its kind in any language.

[Women and smallholder farming](#) Emerita Professor Carolyn Sachs, Dr. Paige Castellanos, 2025-09-23 Provides a comprehensive overview of the key challenges encountered by women smallholder farmers such as restricted access to markets and technical training programmes. Addresses the critical role of women smallholder farmers to the success of global agricultural production. Includes a selection of case studies which highlight the development of programmes to aid women smallholder farmers in crop and livestock production.

Sexuality Research in the United States Diane De Mauro, 1995 The Sexuality Research Assessment Project (SRAP) found the need for more research and its dissemination to policy makers, practitioners, educators, and the public. Comprehensive training for sexuality researchers and overall strengthening of this research field to gain greater academic respectability and public acceptance.

Making Choices in Sexuality Susan McCammon, David Knox, Caroline Schacht, 1998 Designed to help students make informed choices about this complex aspect of human behavior, this new book centers around the unique theme of choices: how to make them and how to live with their impact. This briefer version text provides a comprehensive and affordable alternative to longer texts for the course without sacrificing depth and detail. The book helps readers broaden their understanding of sexuality by examining it from a variety of perspectives including psychological, biological, sociological, feminist, historical, and cross-cultural. Without preaching or bias, the authors present cutting edge information to ensure that students are knowledgeable about critical issues in sexuality. From the latest on HIV/AIDS and sexually transmitted diseases to coverage of cultural variations in human sexuality, this book is unequalled in its presentation of scholarly yet engaging subject matter. To demonstrate how the content applies to students, research-based inventories, self-assessments taken from sexuality and health literature provide scales students can use to assess their own beliefs, attitudes, and behaviors.
