The Unseen Dynamics of Speaking in Tongues Steven Adi, 2018-05-23 Often times we play around with many words as we use them in our day to day communications and other activities but there comes a time when these words are forged together to make a certain statement and when such a statement comes alive it creates a feeling of shock and awe resulting to a sense of deep satisfaction we marvel and even feel like we have never heard anything like that before Such was the feeling that greeted me when God formed the inspiration for this book upon the tablets of my mind There are certain questions you have always pondered upon while considering the subject of speaking in tongues A number of them highlighted below Why did God decide that we Christians should pray with other tongues Have you ever wondered the operations that go on spiritually on account of our prayer in tongues What are the realities and facts that distinguish praying in tongues from praying normally How much are we able to achieve within a short while when we pray in tongues Ever wondered what is the best mode of prayer Is it possible that Satan can block the answers to our prayers from reaching us Why was the answer to Daniel s prayers delayed by the Prince of Persia How can our prayers address the things

that we do not have knowledge of The Unseen Dynamics of Praying in Tongues reveals all these mysteries and much more as you read through The book does not focus on defining speaking in tongues nor does it teach how to speak in tongues It does however focus on the spiritual activities that are pioneered in the spirit when you pray in tongues highlighting also the analysis and technical aspects of speaking in tongues This book is arguably the most revealing and concise book you have ever read that gives deep details into the invisible happenings and manifestations around Christians when they pray in tongues

The New Testament of Our Lord and Saviour Jesus Christ: The Epistles and Revelation ,1884 **What the Bible Says about Speaking in Tongues** John Argubright,2014-05-22 The Biblical gift of speaking in tongues is the supernatural gift from God of speaking in a known foreign language to unbelievers without any previous knowledge or training in that language And what is spoken in that foreign language is the Gospel of Jesus Christ The main purpose is in order that Christ and Him crucified would be preached to all nations in a language that the hearer would understand Yet today many wolves in sheep clothing have perverted what the true gift of speaking in tongues really is and have replaced it with all sorts of false doctrines This Bible study teaches verse by verse on this topic teaching what the Bible says as compared to what the heretics of today have to say who are deceiving Christians by telling them to pray in ecstatic utterance that was once only associated with demonic possession And as you will see a very dangerous doctrine is being spewed from the tongues of these false prophets

The Holy Bible, Containing the Old & New Testaments ,1888 **Answering Your Questions About Speaking in Tongues** Larry Christenson,2005-05 Written for lay Christians this is a level headed and clear presentation of what God had in mind when He made tongues a spiritual gift More than 250 000 sold **The Expository Times** James Hastings,Ann Wilson Hastings,Edward Hastings,1899 [The Self-interpreting Bible](#) ,1896
