## Upstate Echoes:

Upstate Echoes Arch Merrill,1900      **Upstate Echoes** Arch Merrill,      **Upstate Echoes** Arch Merrill,1992-09-01  
Besides many a tale of Western New York countryside this book offers fascinating chapters about the North Country the  
Niagara Frontier and the Southern Tier      The Woman Who Dared William M. Drew,2023-03-07 In the early days of motion  
pictures before superstars before studio conglomerates before even the advent of sound there was a woman named Pearl  
White 1889 1938 A quintessential beauty of the time with her perfectly tousled bob and come hither stare White s rise to  
stardom was swift her assumption of the title of queen of American motion picture serials equally deserved Born the  
youngest of five children in a small rural Missouri farm town White first began performing in high school She would  
eventually make the decision to cut her education short dropping out to go on the Trousdale Stock Company A bit player in  
the early years of her career she was eventually spotted by the Powers Film Company in New York She made her film debut  
in 1910 and soon set herself apart from her female colleagues with her reputation for fearless performances that often  
involved her own stunt work It was that same daring attitude that would put her on the map internationally as an actress  
From flying airplanes to swimming across rapid rivers to racing cars in serials like *The Perils of Pauline* 1914 White was  
undaunted by the demands of her onscreen career She went on to star in popular serial classics such as *The New Exploits of*  
*Elaine* 1915 *The Iron Claw* 1916 *The Fatal Ring* 1917 and *The Lightning Raider* 1919 As active socially as she was  
professionally White would also lend her audacious spirit to activism as she took part in the early feminist movement Her  
bravery and mastery of her craft made her a positive role model for suffragettes who battled for women s rights in the United  
States *The Woman Who Dared* *The Life and Times of Pearl White Queen of the Serials* is the first full length biography of this  
pioneering star In this study of film history and female agency Drew delves into the cultural impact of White s work and how  
it evolved along a concurrent trajectory with the social upheavals of the Progressive Era      **Pickens County** Piper Peters  
Aheron,2000 A paradise of breathtaking waterfalls flawless vistas and picturesque lakes Pickens County enjoys a remarkable  
natural beauty along the stream laced foothills of the Blue Ridge Mountains The county named for early settler and  
Revolutionary War hero Andrew Pickens was once part of the Old Pendleton District a portion of the Palmetto State that also  
included Anderson and Oconee Counties and like much of the Upstate echoes its Cherokee heritage through local names  
such as Lake Keowee and the Cateechee community This volume containing over 200 black and white images provides  
readers a unique opportunity to step back into the Pickens County of yesteryear a time remembered for clay main streets  
horse drawn buggies railroads and early textile mills gristmills and sawmills Covering the county s towns such as Easley  
Pickens Liberty and Central Pickens County recounts the intriguing stories of hardships and accomplishments of the area s  
pioneering families and descendants who have continued to shape the county without destroying the area s natural  
environment      *The Othering of Women in Silent Film* Barbara Tapa Lupack,2023-11-06 In *The Othering of Women in Silent*

Film Cultural Historical and Literary Contexts Barbara Tapa Lupack explores the rampant racial and gender stereotyping depicted in early cinema demonstrating how those stereotypes helped shape American attitudes and practices Using social cultural literary and cinema history as a focus this book offers insights into issues of Othering including discrimination exclusion and sexism that are as timely today as they were a century ago Lupack not only examines the ways that dominant cinema of the era imprinted indelible and pejorative images of women including African Americans Native Americans Asians Hispanics and New Women Suffragists but also reveals the ways in which a number of pioneering early filmmakers and performers attempted to counter those depictions by challenging the imagery interrogating the stereotypes and re politicizing the familiar narratives Scholars of film gender history and race studies will find this book of particular interest
