

White Flags Of Surrender

John R. Lundberg

White Flags Of Surrender:

The Contemporary Law of Targeting Ian Henderson,2009 This book provides an analysis of the law of targeting during an armed conflict focusing on what is a lawful target what is proportional collateral damage and describing a process by which legal responsibility for targeting decisions can be assessed

Grit Don't Quit Bible Study Guide plus Streaming Video Bianca Juarez,2023-10-31 Are you tired of being knocked down but not getting back up The Bible talks a lot about grit but it doesn't exactly use the word Scripture uses terms like perseverance and endurance to describe doing difficult things and having the determination to keep moving despite challenges and weariness But grit is just a little bit something extra right The grittiest of all characters in the Bible was the Apostle Paul and he is known for his ability to get back up and keep going no matter what because Paul was not Paul's sole focus In this five week video Bible study Bible teacher and preacher Bianca Olthoff dives into the stories of Paul and others who have come before us to show how they overcame the same life circumstances we struggle with today You will learn how to keep going that it's never by your own strength and it's always for God's glory that you get back up Let's get honest vulnerable and brave all at once Let's stop letting life take us out and let's start living for something greater This study guide has everything you need for a full Bible study experience including Group discussion questions and activities Chapter reading through the Grit Don't Quit book Individual access to five streaming video talks from Bianca Personal transformative Bible study exercises between sessions A small group leader helps section with tips on leading a group Sessions and video run times Sweet Surrender 17:00 Listen Up 17:00 New Rebellion 17:00 The Who 17:00 Straighten Your Crown 17:00 Watch on any device Streaming video access code included Access code subject to expiration after 12/31/2028 Code may be redeemed only by the recipient of this package Code may not be transferred or sold separately from this package Internet connection required Void where prohibited taxed or restricted by law Additional offer details inside

□□□□□□□□ N. Matsunami,1928 **History of the Confederate States Navy from Its Organization to the Surrender of Its Last Vessel** John Thomas Scharf,1894 **The Law of Non-International Armed Conflict** Sandesh Sivakumaran,2012-08-09 The Law of Non International Armed Conflict brings together and critically analyses the disparate conventional customary and soft law relating to non international armed conflict All the relevant bodies of international law are considered including international humanitarian law international criminal law and international human rights law The book traces the changes to the legal framework applicable to non international armed conflict from ad hoc regulation in the nineteenth and early twentieth century to systematic regulation through the 1949 Geneva Conventions and 1977 Additional Protocols to the transformation of the law in the mid 1990s Armed conflicts ranging from the US civil war the Algerian War of Independence and the attempted secession of Biafra through to the current conflicts in the Colombia the Philippines and Sudan are all considered The identification and analysis of the law is complemented by a consideration of the practice allowing both violations of and respect for the law to be

ascertained Given that non international armed conflicts are fought between states and non state armed groups or between armed groups particular attention is paid to the oft neglected views of armed groups This is done through an analysis of hundreds of statements unilateral declarations internal regulations and bilateral agreements issued by armed groups Equivalent material emanating from states parties to conflicts is also considered The book is thus an essential reference point for the law and practice of non international armed conflicts Bayou Battles for Vicksburg Timothy B. Smith,2023-11-12

The dawn of 1863 brought a new phase of the Union s Mississippi Valley operations against Vicksburg For the first four months Union attempts to reach high and dry ground east of the Mississippi River would be plagued by high water everywhere and the resulting bayou and river expeditions would test everyone involved including the defending Confederates In Bayou Battles for Vicksburg the latest volume in his five volume history of the Vicksburg Campaign of the US Civil War Timothy B Smith offers the first book length examination of Ulysses S Grant s winter waterborne attempts to capture the Confederate stronghold of Vicksburg Mississippi The accepted strategy up to this point in the war was aligned with the principles of the Swiss theorist Antoine Henri Jomini whose work was taught at West Point where commanders on both sides of the conflict had been educated But Jomini emphasized secure supply lines and a slow steady unified approach to a target such as Vicksburg and never had much to say about creeks rivers and bayous in a subtropical swamp environment Grant threw out conventional wisdom with a bold and ultimately successful plan to avoid a direct approach and rather divide his forces to accomplish multiple goals and to confuse the enemy by cutting levies flooding whole sections of watersheds and bypassing strongholds by digging canals far around them Bayou Battles for Vicksburg details each of the Union attempts to reach high ground east of the Mississippi River and includes fresh research on the Yazoo Pass and Steele s Bayou expeditions Grant s canal and the Lake Providence effort Smith weaves several simultaneous Union initiatives together into a chronological narrative that provides great detail on the Union s successful final attempt to get to good ground east of the Mississippi

Granbury's Texas Brigade John R. Lundberg,2012-03-14 John R Lundberg s compelling new military history chronicles the evolution of Granbury s Texas Brigade perhaps the most distinguished combat unit in the Confederate Army of Tennessee Named for its commanding officer Brigadier General Hiram B Granbury the brigade fought tenaciously in the western theater even after Confederate defeat seemed certain Granbury s Texas Brigade explores the motivations behind the unit s decision to continue to fight even as it faced demoralizing defeats and Confederate collapse Using a vast array of letters diaries and regimental documents Lundberg offers provocative insight into the minds of the unit s men and commanders The caliber of that leadership he concludes led to the group s overall high morale Lundberg asserts that although mass desertion rocked Granbury s Brigade early in the war that desertion did not necessarily indicate a lack of commitment to the Confederacy but merely a desire to fight the enemy closer to home Those who remained in the ranks became the core of Granbury s Brigade and fought until the final surrender Morale declined only after Union bullets cut

down much of the unit's officer corps at the Battle of Franklin in 1864. After the war, Lundberg shows men from the unit did not abandon the ideals of the Confederacy; they simply continued their devotion in different ways. Granbury's Texas Brigade presents military history at its best, revealing a microcosm of the Confederate war effort and aiding our understanding of the reasons men felt compelled to fight in America's greatest tragedy.

Air Power and War Rights James Molony Spaight, 1924

The War of the Rebellion United States. War Department, 1886. Series I Contains the formal reports both Union and Confederate of the first seizures of United States property in the Southern States and of all military operations in the field with the correspondence orders and returns relating specially thereto and as proposed is to be accompanied by an Atlas. In this series the reports will be arranged according to the campaigns and several theaters of operations in the chronological order of the events and the Union reports of any event will as a rule be immediately followed by the Confederate accounts. The correspondence etc not embraced in the reports proper will follow first Union and next Confederate in chronological order. Volume XIV 1885 Vol 14 Chap 26 Chapter XXVI Operations on the coasts of South Carolina Georgia and Middle and East Florida Apr 12 1862 Jun 11 1863

House documents, 1889

Lethal Autonomous Weapons Jai Galliot, Duncan MacIntosh, Jens David Ohlin, 2021. *Lethal Autonomous Weapons* explores the moral and legal issues associated with the design, development, and deployment of lethal autonomous weapons. This volume brings together some of the most prominent academics and academic practitioners in the lethal autonomous weapons space and seeks to return some balance to the debate.

History of Winneshiek County Charles H. Sparks, 1877

Battles for the Union Willard W. Glazier, 1877

A History of the Eighth Regiment of New Hampshire Volunteers John M. Stanyan, 1892

Called to Rebellion Sandy Snavely, 1999. Every woman is Called to Rebellion. At stake is control of her heart. Mixing Scripture with humorous and poignant personal anecdotes, Sandy Snavely shows how every aspect of a woman's heart is a battlefield to be won or lost for Christ. By stripping away the superficiality that permeates their lives, readers come to realize their true identity in Christ and rebel against the impostor who robs them of true joy. Women who recognize Satan's influence in their roles as wives, mothers, and friends will find new ways to defeat the evil one and trust the Lord. The journey begins on page 1 by getting face to face with God and accepting His call to rebellion.
