**Winning Images with Any Underwater Camera** Paul Colley, 2014-05-29 This book will arm and inspire you to transform your underwater photographs whatever camera you use Alex Mustard from the Foreword The best underwater images don't just capture the subject well they also capture mood emotion and atmosphere Unlike most other underwater photography books **Winning Images with Any Underwater Camera** focuses on composition and techniques rather than the all consuming camera technology that people tend to chase first This makes it a supremely cost effective tool for improving images and there is no discrimination between users of different camera systems this truly is a book for all International award winner and instructor Paul Colley reveals the short cuts and shows the vital bits of artistic theory as it applies to underwater photography grappling with composition in much greater depth than in other books He also includes easy to remember reference models for underwater composition pre planned concepts for twelve typical underwater scenes with the principal considerations boiled down to those essentials that will help you achieve great results time and again **Sport Diver**, 2003-06 **Kodakery**, 1928 The New Photo-miniature, 1912 *Photo-era*, 1916 Oak openings.
