Dwight Lyman Moody

Winning At Work:

Winning Work-life Balance Dr. Bahrullah Safi, Dr. Maurey Bond, Dr. Sarit J Levy, 2023-09-27 Work life balance is a key part of a healthy and productive work environment An individual who achieves this balance successfully dedicates an equal amount of time to work related tasks and personal matters without experiencing stress or becoming overwhelmed Maintaining a work life balance helps reduce stress and helps to prevent burnout in the workplace Long term pressure is one of the workplace s most common health issues It can lead to physical symptoms such as diabetes digestive disorders chronic pain and heart problems

Nobody Told Me That! Poornima Rathee, 2025-09-16 Why do some professionals move ahead while others stay stuck even when they work hard This book was born out of that question It is for every person who has walked into a workplace thinking effort alone would be enough only to find that there is a whole other playbook nobody spoke about Nobody Told Me That brings together the unspoken truths of growing in your career It does not talk about overnight success or overused hacks It walks you through the real skills that shape how people see you at work From how you speak in meetings to how you handle mistakes how you respond when stakes are high or how you build influence this book gives you the clarity you have been looking for It is a practical no fluff guide for professionals who are ready to take charge of their learning without waiting for someone to hand them a training plan It is filled with stories insights and hands on frameworks to help you make real progress Whether you are just starting out or already leading teams Nobody Told Me That helps you reflect grow and move forward in your own way After all growth at work is not about knowing everything It is about knowing what matters

Winning at Work Mel Sandler, Muriel C. Gray, 1999 The contemporary workplace is filled with traps but none more dangerous than those we set for ourselves With compelling precision this book shows how even the most effective among us can undermine our careers by falling into our own private traps
