finding God and of attaining to sublime union with Him Like St Thomas he places his hand into the wound of Christ and feels it with the powers of his soul No one before him has spoken so concretely about God and succeeded in making Him so perceptible to us There is a very special need to study the writings of St John of the Cross in this day and age for there was never a time when the souls of men have had need for the food of the strong that these writings are Ecclesiastical History of the English Nation Bede, Saint Bede the Venerable, 2014-03 This Is A New Release Of The Original 1723 Edition
