Stacked Decks Robin Bartram, 2022-08-19 Sociologist Robin Bartram here uses both ethnography and statistical analysis to show how the actions of individuals affect or attempt to affect housing inequality And the individuals at the heart of this book are Chicago s building inspectors Though we rarely see them at work building inspectors have the power to significantly shape our lives through their discretionary decisions Using a mixed methods analysis of the building inspectors who respond to complaints about housing conditions in Chicago Bartram both calls attention to the importance of these frontline workers and the power of their agency as she reveals surprising patterns in the judgment calls inspectors make when deciding whom to cite for building code violations The inspectors mostly men mostly white recognize that they work within an uneven housing landscape one that systematically disadvantages poor people and people of color through redlining property taxes and city spending that favor wealthy neighborhoods Though they often act out of a desire to bring justice to the uneven playing field by penalizing those perceived as advantaged these stabs at justice do little to change a housing system that works against those with the fewest resources *Hold'em Poker Stacked Decks for Magicians* Bruce Carley, What is a stacked deck The deck is set up in such a way that a designated player is guaranteed to win the hand It could be the dealer the usual case or another player at the game Everything will seem completely fair to the players but probably not very happy about the result In some cases another player can deal the cards and they will win or lose depending on the magician s presentation The deck is cut by the players as many times as they wish Remember this point Magicians perform stacked deck tricks all the time but mostly for pick a card type tricks And these stacked decks are for entertainment purposes only **Stacked Deck** J. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.
