**The Mature Church** Emmanuel D. Mbennah,2013-08-09 In this book Emmanuel Mbennah argues that Christian spiritual maturity is the bridge between the new identity of the Christian articulated in Ephesians 1 3 and the moral code of the Christian life commensurate with the new identity presented in Ephesians 4 17 6 20 From an interpretation of Ephesians 4 13 Mbennah brings to the fore what Christian spiritual maturity is and why it is imperative He argues that Ephesians 4 1 16 is about spiritual maturity and not about Christian unity except unity as a by product of maturity A case study in which the meaning of spiritual maturity is used as a critical standard to evaluate the spiritual maturity of a church in a particular context further clarifies the meaning of spiritual maturity and demonstrates what a sad state of immaturity a church could be in Mbennah calls for the Church s return to the pursuit of maturity and a return to the subject in New Testament scholarship
